DEPARTMENT OF COMMERCE

International Trade Administration

United States Investment Advisory Council

AGENCY: SelectUSA, International Trade Administration, U.S. Department of Commerce.

ACTION: Notice of an opportunity to apply for membership on the United States Investment Advisory Council.

SUMMARY: The Department of Commerce is currently seeking applications for membership on the United States Investment Advisory Council. The purpose of the Council is to advise the Secretary of Commerce on strategies to attract and retain foreign direct investment to the United States.

DATES: Applications for immediate consideration for membership must be received by the Office of SelectUSA by 5 p.m. eastern daylight time (EDT) on Wednesday, March 20, 2024. Applications received after this date may be considered by SelectUSA as appropriate and when vacancies become available.

ADDRESSES: Please submit application information by email to IAC@trade.gov.

FOR FURTHER INFORMATION CONTACT: Claire Pillsbury, SelectUSA, U.S. Department of Commerce; telephone: (202) 578-8239; email: IAC@trade.gov.

SUPPLEMENTARY INFORMATION: The United States Investment Advisory Council (IAC) is established in accordance with the provisions of the Federal Advisory Committee Act, as amended, 5 U.S.C. 1001 *et seq.*, to advise the Secretary of Commerce (Secretary) on matters relating to the promotion and retention of foreign direct investment in the United States (FDI).

SelectUSA is accepting applications for membership on the IAC for a two-year term. The IAC functions solely as an advisory committee. The IAC shall advise the Secretary on U.S. government policies and programs that affect FDI; identify and recommend programs and policies to help the United States attract and retain FDI; and recommend ways to support the position of the United States as the world's preeminent destination for FDI. The IAC shall report to the Secretary on its activities and recommendations regarding FDI. In creating its reports, the IAC should survey and evaluate the investment and investment-facilitating activities of stakeholders, should identify and examine specific problems facing potential foreign investors, and should examine the needs of stakeholders to inform the IAC's efforts. The IAC should recommend specific solutions to the problems and needs that it identifies.

The IAC shall consist of no more than forty members appointed by the Secretary. Members shall represent companies and organizations investing, seeking to invest, seeking foreign investors, or facilitating investment across many sectors, including but not limited to:

U.S.-incorporated companies that are majority-owned by foreign companies or

by a foreign individual or individuals, or that generate significant foreign direct investment (e.g., through their supply chains); U.S. companies or entities whose business includes FDI-related activities or the facilitation of FDI; U.S. incorporated companies, regardless of ownership, that are considering expanding their operations in the United States or transferring to the United States operations that are currently being conducted overseas; and Economic development organizations and other U.S. governmental and non-governmental organizations and associations whose missions or activities include the promotion or facilitation of FDI.

Members shall be selected based on their ability to carry out the objectives of the IAC, in accordance with applicable Department of Commerce guidelines, in a manner that ensures that the IAC is balanced in terms of points of view, industry subsector, organization type, geography of the source and the destination of the FDI, and company size. Members shall also represent a broad range of products and services and shall be drawn from large, medium, and small enterprises, private-sector organizations involved in investment, and other investment-related entities including non-governmental organizations, associations, and economic development organizations. The diverse membership of the IAC assures perspectives reflecting the breadth of the IAC's responsibilities, and, where possible, the Department of Commerce will also consider the ethnic, racial, and gender diversity and various abilities of the United States population.

Priority may be given to executives (Chief Executive Officer, Executive Chairman, President, or comparable level of responsibility).

Members shall serve in a representative capacity, representing the views and interests of their sponsoring entity and its particular sector (if applicable). Members are not special government employees and will receive no compensation for their participation in IAC activities. Members will not be reimbursed for travel expenses related to IAC activities. Appointments to the IAC shall be made without regard to political affiliation. Because the IAC will advise the Secretary on U.S. international competitiveness in attracting and retaining FDI, each member must be a U.S. citizen or permanent resident.

Each member shall be appointed for a term of two years and will serve at the pleasure of the Secretary. The Secretary may at his/her discretion reappoint any

member to an additional term or terms, provided that the member proves to work effectively on the IAC and that his/her knowledge and advice is still needed. The IAC will meet a minimum of two times a year with, to the extent practical, additional meetings called at the discretion of the Secretary or his/her designee. Meetings will be held in Washington, DC or elsewhere in the United States, or by teleconference, as feasible. Members are expected to attend a majority of IAC meetings.

To be considered for membership, submit the following information by 5:00 p.m. EDT on March 20, 2024, to the email address listed in the **ADDRESSES** section:

1. Name and title of the individual requesting consideration.
2. A sponsor letter from the applicant on the sponsoring entity's letterhead containing a brief statement of why the applicant should be considered for membership on the IAC. This sponsor letter should also address the applicant's experience and leadership related to foreign direct investment.
3. The applicant's personal resume and short bio (less than 300 words).
4. An affirmative statement that the applicant meets all eligibility criteria, including an affirmative statement that the applicant is not required to register as a foreign agent under the Foreign Agents Registration Act of 1938, as amended.
5. Information regarding the ownership and control of the sponsoring entity, including the stock holdings as appropriate.
6. The sponsoring entity's size, place of incorporation, product or service line, major markets in which the entity operates, and the entity's export or import experience.
7. A profile of the entity's foreign direct investment activities, including investment activities, investment plans, investment-facilitation activities, or other foreign direct investment activities.
8. Brief statement describing how the applicant will contribute to the work of the IAC based on his or her unique experience and perspective (not to exceed 100 words).
9. All relevant contact information, including mailing address, fax, email, phone number, and support staff information where relevant.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that countervailable subsidies are being provided to BGH Edelstahl Siegen GmbH (BGH), a producer and exporter of forged steel fluid end blocks (fluid end blocks) from the Federal Republic of Germany (Germany). The period of review (POR) is January 1, 2022, through December 31, 2022.

DATES: Applicable February 7, 2024.

FOR FURTHER INFORMATION CONTACT: Shane Subler or Rachel Accorsi, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington,

DC 20230; telephone: (202) 482–6241 or (202) 482–3149, respectively.

SUPPLEMENTARY INFORMATION:

Background

On January 31, 2023, we received a timely request for an administrative review from the petitioner¹ and BGH.² On March 14, 2023, Commerce published a notice of initiation of an administrative review of the countervailing duty (CVD) order on fluid end blocks from Germany.³ On April 20, 2023, we selected BGH and Schmiedewerke Gröditz GmbH (SWG) as mandatory respondents in this administrative review.⁴ On September 27, 2023, Commerce extended the deadline for the preliminary results of this review until January 31, 2024.⁵

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁶ A list of topics discussed in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

¹ The petitioner is the FEB Fair Trade Coalition, which is comprised of the Ellwood City Forge Company, Ellwood Quality Steels Company, Ellwood National Steel Company, and A. Finkl & Sons.

² See Petitioner's Letter, "Request for Administrative Review of Countervailing Duty Order," dated January 31, 2023; see also BGH's Letter, "Request for Administrative Review," dated January 31, 2023.

³ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 88 FR 15642 (March 14, 2023); see also *Forged Steel Fluid End Blocks from the People's Republic of China, the Federal Republic of Germany, India, and Italy: Countervailing Duty Orders, and Amended Final Affirmative Countervailing Duty Determination for the People's Republic of China*, 86 FR 7535 (January 29, 2021) (Order).

⁴ See Memorandum, "Respondent Selection," dated April 20, 2023.

⁵ See Memorandum, "Extension of Deadline for Preliminary Results of Countervailing Duty Administrative Review," dated September 27, 2023.

⁶ See Memorandum, "Decision Memorandum for the Preliminary Results and Partial Rescission of the Countervailing Duty Administrative Review; 2022: Forged Steel Fluid End Blocks from the Federal Republic of Germany," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

Scope of the Order

The products covered by the *Order* are fluid end blocks from Germany. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Rescission of Administrative Review, in Part

On April 28, 2023, the petitioner timely withdrew its requests for an administrative review with respect to Schmiedewerke Gröditz GmbH (SWG), voestalpine Bohler Welding Group GmbH (VBG), Buderus Edelstahl GmbH (Buderus), Deutsche Edelstahlwerke GmbH (Edelstahlwerke), and Saarschmiede GmbH FreiformSchmiede (SSF).⁷ On May 3, 2023, Commerce notified interested parties that it had suspended the questionnaire response deadlines for SWG based on the petitioners' timely withdrawal of its requests for an administrative review with respect to all companies except for BGH.⁸ As no other party requested a review of the above-referenced five companies, in accordance with 19 CFR 351.213(d)(1), we are rescinding this administrative review with respect to SWG, VBG, Buderus, Edelstahlwerke, and SSF. For additional information regarding this determination, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this CVD administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found to be countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an "authority" that gives rise to a benefit to the recipient, and that the subsidy is specific.⁹ For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Preliminary Results of Review

As a result of this review, we preliminarily determine the following net countervailable subsidy rate for the POR January 1, 2022, through December 31, 2022:

⁷ See Petitioner's Letter, "Petitioners' Withdrawal of Request for 2022 Administrative Review for Certain Entities," dated April 28, 2023.

⁸ See Memorandum, "Suspension of Questionnaire Response Deadline," dated May 3, 2023.

⁹ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.
