POLICY JUSTIFICATION**Taipei Economic and Cultural Representative Office in the United States - UGM-84L HARPOON Block II Missiles**

The Taipei Economic and Cultural Representative Office in the United States has requested a possible sale of 32 UGM-84L Sub-Launched HARPOON Block II missiles, 2 UTM-84L HARPOON Block II Exercise missiles, 2 Advanced HARPOON Weapons Control System (Version 2), 36 HARPOON containers, 2 UTM-84XD Encapsulated HARPOON Certification and Training Vehicles, test equipment and services, spares and repair parts for support equipment, training, publications and technical documents, U.S. Government and contractor technical assistance, and other related elements of logistics and program support. The estimated cost is \$200 million.

This proposed sale serves U.S. national economic and security interests by supporting the recipient's continuing efforts to modernize its armed forces. The proposed sale will help improve the security of the recipient and assist in maintaining political stability, military balance, and economic progress in the region.

This sale is consistent with United States law and policy as expressed in Public Law 96-8. The U.S. is committed to providing military assistance under the terms of the Taiwan Relations Act.

The recipient uses HARPOON missiles to enhance its self-defense capabilities. The recipient has previously purchased both air and surface launched HARPOON missiles and will be able to absorb and effectively utilize these submarine-launched missiles.

Implementation of this proposed sale will not require the assignment of any additional U.S. Government or contractor representatives to the recipient.

The prime contractor will be McDonnell Douglas Company, a wholly owned subsidiary of Boeing Company in St. Louis, Missouri. Although the purchaser generally requires offsets, at this time, there are no known offset agreements proposed in connection with this potential sale.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.
