The Postal Service™ has reviewed this system of records and has determined that this General Privacy Act System of Records should be revised to modify Categories of Records in the System, Purpose(s), and Retention and Disposal.

I. Background

The U.S. Postal Service has a Web site called keepingposted.org available for retired USPS employees who want to stay connected with postal news, events and people. This site also provides links to other retirement resources and services.

II. Rationale for Changes to USPS Privacy Act Systems of Records

The Postal Service wants to contact postal retirees to make them aware they can find on the Keeping Posted Web site up-to-date news and information about the organization, messages to retirees from the Postmaster General, as well as continuing federal retiree benefit information.

III. Description of Changes to Systems of Records

The Postal Service is modifying one system of records listed below. Pursuant to 5 U.S.C. 552a(e)(11), interested persons are invited to submit written data, views, or arguments on this proposal. A report of the proposed modifications has been sent to Congress and to the Office of Management and Budget for their evaluation. The Postal Service does not expect this amended notice to have any adverse effect on individual privacy rights. The affected system is as follows:

USPS 100.000

SYSTEM NAME:

General Personnel Records
Accordingly, for the reasons stated, the Postal Service proposes changes in the existing system of records as follows:
