

adjustment program. The purpose of this meeting is to share information with issuers, States, and interested parties about the risk adjustment methodology, offer an opportunity for these stakeholders to comment on key elements of the risk adjustment methodology, and discuss potential improvements to the HHS risk adjustment methodology for the 2018 benefit year and beyond.

II. Provisions of This Notice

In the January 11, 2016 **Federal Register** (81 FR 1193), we published a notice announcing a March 25, 2016 meeting on the HHS-operated risk adjustment program. In this notice, we are notifying interested parties we are rescheduling the meeting to March 31, 2016. The agenda for the March 31, 2016 meeting will include the following:

- The HHS-operated Risk Adjustment Methodology Conference will share information with stakeholders including issuers, States, and interested parties about the HHS-operated risk adjustment methodology and gather feedback on a White Paper on the HHS-operated risk adjustment methodology that will be issued in advance of this meeting.

- The HHS-operated Risk Adjustment Methodology Conference will focus on an overview of the HHS-operated risk adjustment methodology and other international risk adjustment models, what we have learned from the 2014 benefit year of the risk adjustment program and specific areas of potential refinements to the methodology.

The meeting is open to the public, but attendance is limited to the space available. There are capabilities for remote access. Persons wishing to attend this meeting must register by the date listed in the **DATES** section, and register using the information in the "REGISTRATION" section.

III. Security, Building, and Parking Guidelines

The meeting is open to the public, but attendance is limited to the space available. Persons wishing to attend this meeting must register by using the instructions in the "REGISTRATION" section of this notice by the date specified in the **DATES** section of this notice.

This meeting will be held in a Federal government building; therefore, Federal security measures are applicable. We recommend that confirmed registrants arrive reasonably early, but no earlier than 45 minutes prior to the start of the meeting, to allow additional time to clear security. Security measures include the following:

- Presentation of government-issued photographic identification to the Federal Protective Service or Guard Service personnel.
- Inspection of vehicle's interior and exterior (this includes engine and trunk inspection) at the entrance to the grounds. Parking permits and instructions will be issued after the vehicle inspection.
- Inspection, via metal detector or other applicable means of all persons brought entering the building. We note that all items brought into CMS, whether personal or for the purpose of presentation or to support a presentation, are subject to inspection. We cannot assume responsibility for coordinating the receipt, transfer, transport, storage, set-up, safety, or timely arrival of any personal belongings or items used for presentation or to support a presentation.

Note: Individuals who are not registered in advance will not be permitted to enter the building and will be unable to attend the meeting. The public may not enter the building earlier than 45 minutes prior to the convening of the meeting.

All visitors must be escorted in areas other than the lower and first floor levels in the Central Building.

Dated: January 19, 2016.

Andrew M. Slavitt,

Acting Administrator, Centers for Medicare & Medicaid Services.
