

implementation of follow-up protocols; expand and enhance core Lifeline network functions; expand and facilitate timely and ongoing communication with the existing network of backup and text/chat centers to minimize wait time and maximize call connectivity; expand the ability of backup and text/chat centers to respond to sudden and large spikes in call volume immediately following a public service announcement, disaster, or other type of traumatic event; expand collaboration with backup and text/chat centers to ensure they have sufficient policies and procedures for the training and supervision of center staff in caller engagement, risk assessment, intervention, and linkage to appropriate services; develop and implement a quality improvement plan focusing on policies, first contact, assessment, referral, and access to local care to ensure there is a comprehensive and coordinated response to individuals at imminent risk for suicide; develop and implement a plan to support backup call centers, text/chat centers, and the Spanish language sub-network in accessing mobile crisis services and coordinating with 911 throughout the United States; provide technical assistance to states and crisis centers in communicating and aligning 988 implementation plans, including the ability to meet Key Performance Indicator expectations; establish interoperability with the VA infrastructure and operations to ensure veterans, service members, and families can access at the VA through authorized 988 phone and text services; and expand the Lifeline network by incorporating additional centers or developing formal agreements with service providers for populations at higher risk of suicide for the expansion of services, training, referrals, facilitated transfers and other approaches to link individuals in crisis with the most person centered and culturally appropriate responses.

This is not a formal request for application. Assistance will be provided only to Vibrant Emotional Health based on the receipt of a satisfactory application that is approved by an independent review group.

Funding Opportunity Title: Lifeline Expansion.

Assistance Listing Number: 93.243.

Authority: Section 520E-3 of the Public Health Service Act, as amended; and Section 9005 of the 21st Century Cures Act.

Justification: Eligibility for this award is limited to the Mental Health Association of New York City, Inc. (DBA Vibrant Emotional Health). Vibrant

Emotional Health is the current Lifeline system administrator and this award funds a rapid expansion of the ongoing Lifeline services to meet the anticipated demands of the FCC's 988 launch before July 2022. Since 2005, Vibrant Emotional Health has provided oversight and management of the Suicide Prevention Lifeline and its local call centers, backup centers, and chat/text functions with a network of over 180 centers in all fifty states. This longstanding history has positioned Vibrant Emotional Health as the best suited organization as the only identified organization with the required experience and national reach to work with the backup centers and chat/text organizations with expansion of their workforce and development of the infrastructure that is needed for the launch of 988 in July 2022. Vibrant Emotional Health's history, experience, and ongoing communications with these centers are critical given the time sensitivity of the need for sufficient capacity to be in place by July 2022. Several external evaluations have reinforced the evidence of effectiveness of Lifeline services through oversight of the Lifeline by Vibrant Emotional Health.

The Federal Communication Commission has ordered that by July 16, 2022 every cell phone, land line and voice over internet provider in the United States must make 988 operational and this date of implementation is also a requirement in the National Suicide Hotline Designation Act. Given the anticipated significantly increased contact volumes with the universal availability of 988, a rapid upgrading of Lifeline capacity is required by July 2022. It would not be possible for any other organization to establish the relationships with crisis centers that Vibrant Emotional Health has built over the last 15 years by July 2022, running the risk of significant numbers of unanswered calls, chats, and texts. In addition, if these funds were awarded to another organization, oversight of the expanded backup and chat/text centers would be fragmented and the network would run the risk of inefficiencies and adverse outcomes to individuals in crisis during the period when the demand for Lifeline is expected to surge with the launch of 988. Coordination, quality monitoring, and rapid response would be compromised. Vibrant Emotional Health also has extensive engagement with the Department of Veterans Affairs Veterans Crisis Line (VCL) that helps ensure call connectivity between Vibrant Emotional Health and VCL, backup services, and

engagement across the Lifeline local crisis centers on Veteran identification, care, and linkage to the VA. Vibrant Emotional Health has long been recognized throughout the nation for its state-of-art technology-enabled services, community wellness programs, and advocacy and education work and is uniquely qualified to carry-out the requirements of this funding opportunity.

BILLING CODE 4162-20-P

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID: FEMA-2021-0018; OMB No. 1660-NW132]

Agency Information Collection Activities: Submission for OMB Review; Comment Request; FEMA-Administered Disaster Case Management Intake Form

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: 30-Day notice and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA) will submit the information collection abstracted below to the Office of Management and Budget for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995. FEMA, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public to take this opportunity to comment on an extension without change of a currently approved information collection.

DATES: Comments must be submitted on or before December 17, 2021.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting

“Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection should be made to Director, Information Management Division, 500 C Street SW, Washington, DC 20472, email address FEMA-Information-Collections-Management@fema.dhs.gov or Rebekah Kennedy, Team Lead, Community Services Section, Individual Assistance Division, at (202) 212–1175 or rebekah.kennedy@fema.dhs.gov.

SUPPLEMENTARY INFORMATION: This proposed information collection previously published in the **Federal Register** on June 29, 2021 at 86 FR 34266 with a 60-day public comment period. No comments were received. The purpose of this notice is to notify the public that FEMA will submit the information collection abstracted below to the Office of Management and Budget for review and clearance.

Collection of Information

Title: FEMA-Administered Disaster Case Management Intake Form.

Type of information collection: New information collection.

OMB Number: 1660–NW132.

FEMA Forms: FF–104–FY–21–146 and FF–104–FY–21–147.

Abstract: This collection tool will primarily be used as a guide to support FEMA-administered Disaster Case Management (DCM) case managers by outlining the allowable data elements they can collect from survivors on behalf of FEMA. While there will be a paper collection tool, the case managers will primarily be using the tool as a reference of data elements they can collect, and using their own case management database systems to guide the order in which the elements are collected. The elements within the tool are used to assess, screen, and refer disaster survivors to available resources that address their specific disaster-related unmet needs. Case managers then take the information from the intake form and manually upload the data into their secured case management database.

Prior to any data collection, survivors will complete and sign a FEMA-administered DCM Consent Form, authorizing FEMA, or its agent, to collect data from the survivor in order to effectively provide case management services.

Affected Public: Individuals and Households.

Estimated Number of Respondents: 75,000.

Estimated Number of Responses: 75,000.

Estimated Total Annual Burden Hours: 48,000 burden hours.

Estimated Total Annual Respondent Cost: \$1,746,240.

Estimated Respondents' Operation and Maintenance Costs: \$0.

Estimated Respondents' Capital and Start-Up Costs: \$0.

Estimated Total Annual Cost to the Federal Government: \$51,640,374.

Comments

Comments may be submitted as indicated in the **ADDRESSES** caption above. Comments are solicited to (a) evaluate whether the proposed data collection is necessary for the proper performance of the agency, including whether the information shall have practical utility; (b) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) enhance the quality, utility, and clarity of the information to be collected; and (d) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Millicent L. Brown,

Acting Records Management Branch Chief, Office of the Chief Administrative Officer, Mission Support, Federal Emergency Management Agency, Department of Homeland Security.

BILLING CODE 9111–24–P

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID FEMA–2021–0001]

Notice of Adjustment of Minimum Project Worksheet Amount

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice.

SUMMARY: FEMA gives notice that the minimum Project Worksheet Amount under the Public Assistance program for disasters and emergencies declared on or after October 1, 2021, will be increased.

DATES: This adjustment applies to major disasters and emergencies declared on or after October 1, 2021.

FOR FURTHER INFORMATION CONTACT: Tod Wells, Recovery Directorate, Federal Emergency Management Agency, 500 C Street SW, Washington, DC 20472, (202) 646–3834.

SUPPLEMENTARY INFORMATION: 44 CFR 206.202(d)(2) provides that FEMA will annually adjust the minimum Project Worksheet amount under the Public Assistance program to reflect changes in the Consumer Price Index for All Urban Consumers published by the Department of Labor.

FEMA gives notice of an increase to \$3,500 for the minimum amount that will be approved for any Project Worksheet under the Public Assistance program for all major disasters and emergencies declared on or after October 1, 2021.

FEMA bases the adjustment on an increase in the Consumer Price Index for All Urban Consumers of 5.3 percent for the 12-month period that ended in August 2021. This is based on information released by the Bureau of Labor Statistics at the U.S. Department of Labor on September 14, 2021.

Catalog of Federal Domestic Assistance No. 97.036, Disaster Grants—Public Assistance (Presidentially Declared Disasters).

Deanne Criswell,

Administrator, Federal Emergency Management Agency.
