DEPARTMENT OF COMMERCE**Bureau of Industry and Security**

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; License Exemptions and Exclusions.

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on June 15, 2022, during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: Bureau of Industry and Security, Commerce.

Title: License Exemptions and Exclusions.

OMB Control Number: 0694-0137.

Form Number(s): None.

Type of Request: Extension of a current information collection.

Number of Respondents: 24,411.

Average Hours per Response: 1.46 hours.

Burden Hours: 35,680.

Needs and Uses: Over the years, BIS has worked with other Government agencies and the affected public to identify areas where export licensing requirements may be relaxed without jeopardizing U.S. national security or foreign policy. Many of these relaxations have taken the form of licensing exceptions and exclusions. Some of these license exceptions and exclusions have a reporting or recordkeeping requirement to enable the Government to continue to monitor exports of these items. Exporters may choose to utilize the license exception and accept the reporting or recordkeeping burden in lieu of submitting a license application. These exceptions and exclusions have allowed exporters to ship items quickly, without having to wait for license approval.

Affected Public: Business or other for-profit organizations.

Frequency: On Occasion.

Respondent's Obligation: Voluntary.

Legal Authority: Export Control Reform Act (ECRA) of 2018 (Title XVII, Subtitle B of Pub. L. 115–232)

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable October 26, 2022.

SUMMARY: On June 28, 2022, the U.S. Department of Commerce (Commerce) published the preliminary results of the 2020–2021 administrative review of the antidumping duty order on polyethylene terephthalate film, sheet, and strip (PET Film) from Taiwan. The period of review (POR) is July 1, 2020, through June 30, 2021. We continue to find that Nan Ya Plastics Corporation (Nan Ya) made no sales of subject merchandise to the United States at less than normal value during the POR. We also continue to find that Shinkong Materials Technology Corporation (SMTC)/Shinkong Synthetic Fibers Corporation (SSFC) had no shipments of subject merchandise to the United States during the POR.

On June 28, 2022, Commerce published the preliminary results for this administrative review.¹ We invited interested parties to comment on the *Preliminary Results*; however, no interested party submitted comments. Accordingly, we made no changes to the *Preliminary Results*.

primed PET film, whether extruded or coextruded. Excluded are metalized films and other finished films that have had at least one of their surfaces modified by the application of a performance-enhancing resinous or inorganic layer of more than 0.00001 inches thick. Imports of PET film are currently classifiable in the Harmonized Tariff Schedule of the United States (HTSUS) under item number 3920.62.00.90. HTSUS subheadings are provided for convenience and Customs purposes. The written description of the scope of *Order* is dispositive.

Final Determination of No Shipments

In the *Preliminary Results*, Commerce determined that SMTC and its affiliate SSFC had no shipments of PET film during the POR, based on a response of the U.S. Customs and Border Protection (CBP) to Commerce’s no-shipment inquiry, as well as certifications and supporting documentation provided by SMTC/SSFC.³ We received no comments from any interested party on our preliminary finding. As there is no information on the record that calls into question the finding in the *Preliminary Results*, we continue to find in the final results of this review that SMTC/SSFC had no shipments of subject merchandise during the POR.

Final Results of Review

As noted above, Commerce received no comments concerning the *Preliminary Results*. We continue to find that sales of subject merchandise by Nan Ya were not made at less than normal value during the POR. Accordingly, no decision memorandum accompanies this **Federal Register** notice.⁴ The final weighted-average dumping margin for the period July 1, 2020, through June 30, 2021, for Nan Ya is as follows:
