Overseas Schools Advisory Council Notice of Meeting

The Department of State's Overseas Schools Advisory Council will hold its Winter Committee Meeting on Thursday, January 26, 2022, from 9:00 a.m. until approximately 12:00 p.m. Advisory board members will meet in-person, unless local conditions dictate otherwise, in which case members will participate exclusively online. To limit exposure, the meeting is open for the public to participate virtually only.

The Overseas Schools Advisory Council works closely with the U.S. business community on improving American-sponsored schools overseas that are assisted by the Department of State and attended by U.S. government employee dependents, and the children

of employees of U.S. corporations and foundations abroad.

This meeting will address issues related to the support provided by the Overseas Schools Advisory Council to American-sponsored overseas schools. The Regional Education Officers in the Office of Overseas Schools will present on the initiatives in the American-sponsored overseas schools.

Public members may attend the meeting virtually, subject to the instructions of the Chair. Those interested in participating virtually should RSVP prior to January 26, 2022 to:

Mr. Mark Ulfers, Office of Overseas Schools, Department of State Tel: 202-261-8200, Email: OverseasSchools@state.gov

The Department will send instructions for virtual participation to those that RSVP. Requests for reasonable accommodation should be sent prior to January 26. Requests sent after that date will be considered but may not be possible to fulfill.

Mark Ulfers,
Executive Secretary, Overseas Schools Advisory Council.

Notice of Request To Release Airport Property

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of intent to rule on request to release airport property for land disposal at the Liberal Mid-America Regional Airport (LBL), Liberal, Kansas.

SUMMARY: The FAA proposes to rule and invites public comment on the release and sale of one parcel of land at the Liberal Mid-America Regional Airport (LBL), Liberal, Kansas.

DATES: Comments must be received on or before January 18, 2023.

ADDRESSES: Comments on this application may be mailed or delivered to the FAA at the following address: Amy J. Walter, Airports Land Specialist, Federal Aviation Administration, Airports Division, ACE-620G, 901 Locust Room 364, Kansas City, MO 64106.

In addition, one copy of any comments submitted to the FAA must be mailed or delivered to: Brian Fornwalt, Airport Manager, Liberal Mid-America Regional Airport, 302 Terminal Road, PO Box 2199, Liberal, KS 67901, (620) 626-0188.

FOR FURTHER INFORMATION CONTACT: Amy J. Walter, Airports Land Specialist, Federal Aviation Administration,

Airports Division, ACE-620G 901 Locust Room 364, Kansas City, MO 64106, (816) 329-2603, amy.walter@faa.gov.

The request to release property may be reviewed, by appointment, in person at this same location.

SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request to release approximately 1.92 acres of airport property at the Liberal Mid-America Regional Airport (LBL) under the provisions of 49 U.S.C. 47107(h)(2). The Airport Manager has requested from the FAA the release of a 1.92 acre parcel of airport property be released for sale to Charles Posl. The FAA determined the request to release and sell property at Liberal Mid-America Regional Airport (LBL) submitted by the Sponsor meets the procedural requirements of the Federal Aviation Administration and the release and sale of the property does not and will not impact future aviation needs at the airport. The FAA may approve the request, in whole or in part, no sooner than thirty days after the publication of this Notice.

The following is a brief overview of the request:

Liberal Mid-America Regional Airport (LBL) is proposing the release and sale of a 1.92 acre parcel of airport property. The release of land is necessary to comply with Federal Aviation Administration Grant Assurances that do not allow federally acquired airport property to be used for non-aviation purposes. The sale of the subject property will result in the release of land and surface rights at the Liberal Mid-America Regional Airport (LBL) from the conditions of the AIP Grant Agreement Grant Assurances, but retaining the mineral rights. In accordance with 49 U.S.C. 47107(c)(2)(B)(i) and (iii), the airport will receive fair market value and the property will continue to be used as a mini-storage commercial business.

Any person may inspect, by appointment, the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**. In addition, any person may, request an appointment and inspect the application, notice and other documents determined by the FAA to be related to the application in person at the Liberal Mid-America Regional Airport.

Issued in Kansas City, MO, on December 13, 2022.

James A. Johnson,
Director, FAA Central Region, Airports Division.

Notice of Availability of Recommendations From the Changed Product Rule (CPR) International Authorities Working Group (IAWG)

AGENCY: Federal Aviation Administration (FAA), Department of Transportation (DOT).

ACTION: Notice.

SUMMARY: The FAA announces the availability of recommendations from the CPR IAWG. In December of 2020, Congress passed the Aircraft Certification, Safety, and Accountability Act (ACSAA). Section 117 of the ACSAA required the FAA to form an international team to address areas of concern related to the CPR. The CPR IAWG has recommended specific areas where engagement with the public would be beneficial and broaden the scope of the discussions to a wider audience. The FAA plans to solicit public input at a public meeting which will be announced in a future notice.

ADDRESSES: The CPR IAWG recommendations are available on the FAA's Information for Applicants and Design Approval Holders web page at https://www.faa.gov/aircraft/air_cert/design_approvals/dah.

FOR FURTHER INFORMATION CONTACT: Sue McCormick, Strategic Policy for Systems Standards, Aviation Safety, email 9-AVS-DAH-Info@faa.gov.

SUPPLEMENTARY INFORMATION: Section 117 of the Aircraft Certification Safety and Accountability Act (ACSAA) of 2020 (Pub. L. 116-260) directed the FAA to exercise leadership in the creation of international policies and standards related to the review and reevaluation of the issuance of amended type certificates. The FAA was directed to examine and address recommendations from the entities listed in Section 121(c)¹ of the ACSAA related to the issuance of amended type certificates; to reevaluate existing assumptions and practices inherent in the amended type certificate process and assess whether such assumptions and practices are valid; and ensure, to the greatest extent practicable, that Federal Regulations related to the issuance of amended type certificates

¹ The National Transportation Safety Board, the Joint Authorities Technical Review, the Inspector General of the Department of Transportation, the Safety Oversight and Certification Advisory Committee, or any special committee thereof, made recommendations in response to the accident of Lion Air flight 610 on October 29, 2018 and the accident of Ethiopian Airlines flight 302 on March 10, 2019.

are harmonized with the regulations of the other international states of design. The FAA initiated the CPR IAWG in June of 2021 and conducted a comprehensive study of the CPR process, including regulatory requirements (14 CFR 21.19 and 21.101) and guidance material, with international authorities² in parallel with an independent study per section 136 of the ACSAA.

The IAWG, after extensive in-depth discussions and research, proposes both rulemaking and guidance improvements for the CPR process. The IAWG identified areas where additional review is needed in order to achieve alignment to the fullest extent possible. The IAWG also recommends engagement with industry in specific areas for advice and additional information.

The FAA encourages industry review of the CRP IAWG recommendations. The FAA will be seeking public input and comments during a forthcoming public meeting regarding the recommendations.

Issued in Washington, DC, on December 12, 2022.

Victor Wicklund,

Acting Director, Policy and Innovation Division, Aircraft Certification Service.
