public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Title of Collection: Eligibility of Students at Institutions of Higher Education for Funds under the CARES Act.

OMB Control Number: 1840-NEW.

Type of Review: A new information collection.

Respondents/Affected Public: State, Local, and Tribal Governments; Individuals or Households; Private Sector.

Total Estimated Number of Annual Responses: 1,553,009.

Total Estimated Number of Annual Burden Hours: 2,657,060.

Abstract: The U. S. This will help to ensure that the distribution of the CARE Act funds is managed by IHEs in accordance with this clarification as discussed in the Interim Final Rule scheduled to be published in the **Federal Register** on or about June 9, 2020. The Department is requesting emergency clearance and OMB approval of our foregoing public comment until this collection is resubmitted as a regular collection not later than June 30, 2020. The Department will publish 60 and 30 **Federal Register** notices as required by 5 CFR 1320.8(d), soliciting

Additional Information: An emergency clearance approval for the use of the system is described below due to the following conditions:

Section 18004 of the Act authorizes the Secretary of Education (“Secretary”) to allocate formula grant funds to participating institutions of higher education (IHEs). It requires the IHEs to use no less than fifty percent of the funds received to provide emergency financial aid grants to students for expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student’s cost of attendance such as food, housing, course materials, technology, health care, and child care). ED is requesting an emergency clearance so that IHEs may appropriately determine which individuals attending their institution are eligible to receive emergency financial aid grants under the CARES Act.
