FEDERAL RESERVE SYSTEM

Formations of, Acquisitions by, and Mergers of Bank Holding Companies

The companies listed in this notice have applied to the Board for approval, pursuant to the Bank Holding Company Act of 1956 (12 U.S.C. 1841 *et seq.*) (BHC Act), Regulation Y (12 CFR Part 225), and all other applicable statutes and regulations to become a bank holding company and/or to acquire the assets or the ownership of, control of, or the power to vote shares of a bank or bank holding company and all of the banks and nonbanking companies owned by the bank holding company, including the companies listed below.

The applications listed below, as well as other related filings required by the Board, are available for immediate inspection at the Federal Reserve Bank indicated. The application also will be available for inspection at the offices of the Board of Governors. Interested persons may express their views in writing on the standards enumerated in the BHC Act (12 U.S.C. 1842(c)). If the proposal also involves the acquisition of a nonbanking company, the review also includes whether the acquisition of the nonbanking company complies with the standards in section 4 of the BHC Act (12 U.S.C. 1843). Unless otherwise noted, nonbanking activities will be conducted throughout the United States. Additional information on all bank holding companies may be obtained from the National Information Center website at www.ffiec.gov/nic/.

Unless otherwise noted, comments regarding each of these applications must be received at the Reserve Bank indicated or the offices of the Board of Governors not later than December 11, 2006.

SUPPLEMENTARY INFORMATION:

A. Background

The enactment of the Federal Acquisition Streamlining Act (FASA) of 1994, made contractor performance information a mandatory evaluation factor for all procurements. This is an important factor in making best value decisions in the acquisition of goods and services. In order to do this, agencies moved out in different directions to share the performance data they collected individually. There was no concerted effort to share data Governmentwide. It has long been a vulnerability that Government agencies would award to a vendor who owes another part of the Government money or services, or is in the process of being debarred. This was due to the fact that information about performance was maintained at the local contracting office level.

Evaluating contractor performance is also useful as a tool to encourage outstanding performance throughout the
