

opportunities, especially hunting and fishing, further protect threatened and endangered species, and control invasive species.

After the 30-day review and comment period ends, we will analyze, address, and consider all comments received and prepare a final CCP. Availability of the final CCP will be published in the **Federal Register**. The Director must approve the proposed refuge boundary expansion before the Regional Director considers approving the expansion.

All comments, including names and addresses, become part of the official public record. Requests for the public record of this plan will be handled in accordance with the Freedom of Information Act, the Council on Environmental Quality's NEPA regulations, and other Service and Departmental policies and procedures.
