[Docket No. RP06-29-000]

High Island Offshore System, L.L.C.; Notice of Tariff Filing

October 19, 2005.

Take notice that on October 14, 2005, High Island Offshore System, L.L.C. (HIOS) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, Fifth Revised Sheet No. 173, to become effective November 14, 2005.

HIOS states that the purpose of this filing is to remove the CIG/Granite State policy discount provisions in Section 26 of the General Terms and Conditions of HIOS's tariff.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed in accordance with the provisions of section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing an intervention

or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

Lake Road Holding Company, LLC; Lake Road Generating Company, L.P.; Notice of Filing

October 20, 2005.

Take notice that on October 18, 2005, Lake Road Holding Company, LLC (HoldCo) and Lake Road Generating Company, L.P. (Lake Road Gen) filed with the Federal Energy Regulatory Commission an application requesting that the Commission grant all authorizations and approvals necessary under section 203 of the Federal Power Act for an indirect disposition of jurisdictional facilities as a result of certain proposed transfers of ownership or control of equity interests in HoldCo. HoldCo states that it owns 100% of the equity interests in Lake Road Gen, which owns and operates a 750 megawatt electric generating facility located near Killingly, Connecticut.

Any person desiring to intervene or to protest this filing must file in

accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>.
