### Objectives and Duties of the Committee

The purpose of the Committee is to advise FHFA in the exercise of its oversight functions regarding affordable, equitable, and sustainable housing, including but not limited to, affordable, equitable, and sustainable housing needs, barriers to access, barriers to long-term sustainability, and any regulatory, guidance, or policy changes that may be necessary or beneficial to expand such housing. The Committee will focus on FHFA's regulated entities—Fannie Mae, Freddie Mac, and the Federal Home Loan Banks—and their respective roles in providing a reliable source of liquidity and funding to support housing finance and community investment in the single-family and multifamily housing markets.

The scope of the Committee's activities shall include providing information and analysis in support of advice and recommendations to FHFA. Each Committee meeting will better inform any or all the following: FHFA's policy development, rulemaking, or community and public engagement functions as they relate to affordable, equitable, and sustainable housing.

The duties of the Committee are solely advisory and shall extend only to its submission of advice and recommendations to FHFA, with supporting information and analysis (within the scope of the Committee's activities as defined herein), which shall be non-binding on FHFA.

No determinations of fact or policy shall be made by the Committee. The Committee shall have no decision-making role, and shall have no access to non-public FHFA information, including confidential supervisory or other confidential information.

### Membership of the Committee

The FHFA Director shall appoint the members of the Committee. To achieve a fairly balanced membership, FHFA shall seek members representative of diverse communities, points of view, institution asset sizes, and geographical locations, with expertise in affordable, sustainable, or equitable housing in single-family and multifamily housing. The Committee will include members with expertise, applicable to Fannie Mae, Freddie Mac, or the Federal Home Loan Banks, in the areas related to the duties and authorities of the Committee, such as: (1) fair lending, fair housing, or civil rights; (2) single-family lending, servicing, development, mortgages, or capital markets; (3) multifamily lending,

servicing, development, mortgages, capital markets, or investments (*i.e.* Low-Income Housing Tax Credits); (4) consumer, tenant, or community advocacy; (5) market technology; (6) state, local, or tribal government housing policies and programs; and (7) academic or non-academic affiliated housing research.

The Committee shall consist of approximately 20 members, serving two-year terms. Members shall serve at the sole discretion of the Director.

The Committee shall meet at such intervals as are required to carry out its functions. It is estimated that the Committee will meet at least twice per year. Generally, Committee meetings will be open to the public.

Applications and nominations for membership on the Committee will be solicited in a subsequent notice in the **Federal Register**.

### **Modification to FMCS Commercial Receivables Process**

**AGENCY:** Federal Mediation and Conciliation Service (FMCS).

**ACTION:** Notice of payment method for FMCS services and/or products.

**SUMMARY:** The Federal Mediation and Conciliation Service (FMCS), is issuing this notice to inform the public that it is modifying its commercial receivables process to require payment through *Pay.gov*. This requirement will enable FMCS to reduce check processing costs to the agency.

**DATES:** This change to the payment process is effective August 26, 2022.

**FOR FURTHER INFORMATION CONTACT:** Will Shields, 202-606-3635, [wshields@fmcs.gov](mailto:wshields@fmcs.gov).

**SUPPLEMENTARY INFORMATION:** FMCS is an independent federal agency tasked by Congress to provide mediation, conciliation, and voluntary arbitration services in the private and federal sectors. In service of its mission, non-federal sources reimburse FMCS for certain expenses including, but not limited to, processing FOIA requests under 29 CFR 1401; requests for arbitrator panels, under 29 CFR 1404; and labor relations training. Commercial receivables are typically paid in the form of physical checks sent to the agency and processed by Treasury's Administrative Resource Center (ARC), which charges FMCS a processing fee per transaction.
