

rule change. The text of these statements may be examined at the places specified in Item IV below. DTC has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

*(A) Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

1. Purpose

The purpose of the proposed rule change is to discontinue PRS.

PRS was implemented in 2003 and enables DTC Participants ("Participants") and DTC-authorized third parties (Participants and such DTC-authorized third parties, collectively referred to as "Users")<sup>4</sup> to access prospectuses and official statements relating to new issues of corporate and municipal securities ("Documents") available in electronic format from a DTC-maintained Web site.<sup>5</sup> Due to the fact that PRS currently has few Users and many of the Documents made available via PRS are available to the public via electronic sources outside of DTC, it is no longer necessary or cost-effective for DTC or the industry to have DTC continue to maintain PRS. Therefore, DTC proposes to discontinue PRS and delete the Terms of Use from the Rules.

Effective Date

The effective date of the proposed rule change would be announced via a DTC Important Notice.

2. Statutory Basis

The proposed rule change would discontinue an underutilized service and eliminate the associated costs to DTC of maintaining it. Therefore, by precluding the need for DTC to allocate resources in this regard, the proposed rule change is consistent with the provisions of: (i) Section 17A(b)(3)(F)<sup>6</sup> of the Act which requires that the rules of the clearing agency be designed, *inter alia*, to promote the prompt and accurate clearance and settlement of securities transactions, and (ii) Rule 17Ad-22(d)(6)<sup>7</sup> promulgated under the Act which requires, *inter alia*, that a clearing agency establish, implement, maintain and enforce written policies and procedures reasonably designed to,

as applicable, be cost-effective in meeting the requirements of participants while maintaining safe and secure operations.

*(B) Clearing Agency's Statement on Burden on Competition*

DTC does not believe that the proposed rule change would have any impact, or impose any burden, on competition.

*(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

Written comments relating to the proposed rule change have not yet been solicited or received. DTC will notify the Commission of any written comments received by DTC.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve or disapprove such proposed rule change, or

(B) institute proceedings to determine whether the proposed rule change should be disapproved.

change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated this proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A) of the Act<sup>3</sup> and Rule 19b-4(f)(6) thereunder,<sup>4</sup> which renders it effective upon filing with the Commission. ### **I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change**

The Exchange filed a proposal to eliminate Rule 13.4, “Assigning of Registered Securities in the Name of a Member or Member Organization.”

The text of the proposed rule change is available at the Exchange’s Web site at [www.batstrading.com](http://www.batstrading.com), at the principal office of the Exchange, and at the Commission’s Public Reference Room.

### **II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

#### *(A) Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

##### **1. Purpose**

The Exchange proposes to eliminate Rule 13.4, “Assigning of Registered Securities in the Name of a Member or Member Organization,” which permits the Exchange to establish a signature guarantee program. In sum, a signature guarantee program allows an investor who seeks to transfer or sell securities held in physical certificate form to have their signature on the certificate “guaranteed.” Rule 13.4 permits Members to guarantee their signatures by authorizing one or more of their employees to assign registered securities in the Member’s name and to guarantee assignments of registered securities on behalf of the Member where the security

had been signed by one of the partners of the Member or by one of the authorized officers of the Member by executing and filing with the Exchange a separate Power of Attorney, also known as a traditional signature card program. Transfer agents often insist that a signature be guaranteed before they accept the transaction because it limits their liability and losses if a signature turns out to be forged.

Rule 17Ad-15 under the Act permits transfer agents to reject signature guarantees from eligible guarantor institutions that are not part of a signature guarantee program.<sup>5</sup> The rule encouraged a movement away from the traditional signature card programs administered by the exchanges towards signature guarantee programs that use a medallion imprint or stamp which evidences their participation in the program and is an acceptable signature guarantee (“Medallion Signature Guarantee Program”).<sup>6</sup> The Commission has also noted that:

[a]n investor can obtain a signature guarantee from a financial institution—such as a commercial bank, savings bank, credit union, or broker dealer—that participates in one of the Medallion signature guarantee programs. . . . If a financial institution is not a member of a recognized Medallion Signature Guarantee Program, it would not be able to provide signature guarantees. Also, if [an investor is] not a customer of a participating financial institution, it is likely the financial institution will not guarantee [the investor’s] signature. Therefore, the best source of a Medallion Guarantee would be a bank, savings and loan association, brokerage firm, or credit union with which [the investor does] business.<sup>7</sup>

In response to Rule 17Ad-15, certain exchanges have decommissioned or amended their rules to no longer provide for traditional signature card program.<sup>8</sup> While the Exchange adopted

Rule 13.4 as part of its Form 1 exchange application,<sup>9</sup> it has never offered, and does not now intend to offer, a signature guarantee service. The move towards Medallion Signature Guarantee Programs has also rendered traditional card programs as provided for under Exchange Rule 13.4 obsolete. Therefore, the Exchange proposes to eliminate Rule 13.4.

##### **2. Statutory Basis**

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act<sup>10</sup> and furthers the objectives of Section 6(b)(5) of the Act,<sup>11</sup> in that it is designed to promote just and equitable principles of trade, remove impediments to, and perfect the mechanism of, a free and open market and a national market system, and, in general, protect investors and the public interest by eliminating unnecessary confusion with respect to the Exchange’s rules. Rule 17Ad-15 encouraged a movement away from the traditional signature card programs administered by the exchanges towards certain Medallion Signature Guarantee Programs. In response, certain exchanges have decommissioned or amended their rules to no longer provide for a traditional signature card program.<sup>12</sup> The Exchange has never

guarantee program in light of Rule 17Ad-15 (noting that “[b]y eliminating its signature guarantee program, PHLX will streamline the signature guarantee process. In place of the cumbersome signature card system, PHLX will require participation in a Rule 17Ad-15 Signature Guarantee Program”). In 2006, the Philadelphia Stock Exchange, Inc. (currently Nasdaq OMX PHLX LLC) (“PHLX”) eliminated Rules 327-340 regarding signature guarantees in their entirety from its rulebook, noting that they are “being deleted as obsolete because they refer to the delivery and settlement of securities, which is not done by the Exchange, but by registered clearing agencies.” Securities Exchange Act Release No. 54329 (August 17, 2006), 71 FR 504538 (August 25, 2006) (SR-PHLX-2006-43); Securities Exchange Act Release No. 54538 (September 28, 2006), 71 FR 59184 (October 6, 2006) (order approving SR-PHLX-2006-43).

offered, and does not now intend to offer, a signature guarantee service. Also, the move towards Medallion Signature Guarantee Programs has rendered traditional card programs as provided for under Exchange Rule 13.4 obsolete. Therefore, the Exchange believes eliminating Rule 13.4 would clarify the Exchange's rules by eliminating rules that account for services the Exchange does not provide. The Exchange also believes the elimination of unnecessary and obsolete rules removes impediments to the perfection of the mechanisms for a free and open market system consistent with the requirements of Section 6(b)(5) of the Act.<sup>13</sup>

*(B) Self-Regulatory Organization's Statement on Burden on Competition*

The proposed rule change does not impose any burden on competition. Rule 17Ad-15 encouraged a movement away from the traditional signature card programs administered by the exchanges towards certain Medallion Signature Guarantee Programs. In response, certain exchanges have decommissioned or amended their rules to no longer provide for a traditional signature card program.<sup>14</sup> An investor may still obtain a signature guarantee from a financial institution that participates in one of the Medallion Signature Guarantee Programs. The Exchange has never offered, and does not intend to offer, a signature guarantee service. Also, the move towards Medallion Signature Guarantee Programs has rendered traditional card programs as provided for under Exchange Rule 13.4 obsolete. Therefore, the Exchange believes eliminating Rule 13.4 would not impose any burden on competition.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>15</sup> and paragraph of Rule 19b-4(f)(6) thereunder.<sup>16</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
