Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: 2001 Panel of the Survey of Income and Program Participation (SIPP), Wave 9 Topical Modules.

Form Number(s): SIPP 21905(L) Director's Letter; SIPP/CAPI Automated Instrument; SIPP 21003 Reminder Card.

Agency Approval Number: 0607–0875.

Type of Request: Revision of a currently approved collection.

Burden: 39,793 hours.

Number of Respondents: 78,750.

Avg Hours Per Response: 30 minutes.

Needs and Uses: The U.S. Census Bureau requests authorization from the Office of Management and Budget (OMB) to conduct the Wave 9 Topical Modules interview for the 2001 Panel of the Survey of Income and Program Participation (SIPP). We also request approval for a few replacement questions in the reinterview instrument. The core SIPP instrument and reinterview instrument were cleared previously. The reinterview instrument will be used for quality control purposes.

The SIPP is designed as a continuing series of national panels of interviewed households that are introduced every few years, with each panel having durations of 3 to 4 years. The 2001 SIPP Panel is scheduled for three years and will include nine waves beginning February 1, 2001.

The survey is molded around a central ''core'' of labor force and income questions that remain fixed throughout the life of a panel. The core is supplemented with questions designed to answer specific needs. These supplemental questions are included with the core and are referred to as ''topical modules.'' The topical modules for the 2001 Panel Wave 9 are Medical Expenses and Utilization of Health Care (Adults and Children), Work Related Expenses and Child Support Paid, and Assets, Liabilities, and Eligibility. Wave 9 interviews will be conducted from October 2003 through January 2004.

Data provided by the SIPP are being used by economic policymakers, the Congress, state and local governments, and Federal agencies that administer social welfare or transfer payment programs, such as the Department of Health and Human Services and the Department of Agriculture. The SIPP represents a source of information for a wide variety of topics and allows information for separate topics to be integrated to form a single and unified database so that the interaction between tax, transfer, and other government and private policies can be examined. Government domestic policy formulators depend heavily upon the SIPP information concerning the distribution of income received directly as money or indirectly as in-kind benefits and the effect of tax and transfer programs on this distribution. They also need improved and expanded data on the income and general economic and financial situation of the U.S. population. The SIPP has provided these kinds of data on a continuing basis since 1983, permitting levels of economic well-being and changes in these levels to be measured over time. Testing of monetary incentives to encourage non-respondents to participate is planned for all waves of the 2001 SIPP Panel.

Affected Public: Individuals or households.

Frequency: Every 4 months.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 U.S.C., Section 182.

OMB Desk Officer: Susan Schechter, (202) 395–5103.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482–0266, Department of Commerce, room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at *dhynek@doc.gov*).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Susan Schechter, OMB Desk Officer either by fax (202–395–7245) or email (*susan_schechter@omb.eop.gov*).

Dated: May 22, 2003.

Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: Survey of Housing Starts, Sales, and Completions.

Form Number(s): SOC–QI/SF.1, SOC–QI/MF.1.

Agency Approval Number: 0607–0110.

Type of Request: Extension of a currently approved collection.

Burden: 8,725 hours.

Number of Respondents: 24,000.

Avg Hours Per Response: 5 minutes.

Needs and Uses: The U.S. Census Bureau is requesting an extension of the currently approved collection for the Survey of Housing Starts, Sales, and Completions, otherwise known as the Survey of Construction (SOC). The respondents are home builders, real estate agents, rental agents, or new home owners of sampled residential buildings.

The Census Bureau uses the information collected in the SOC to publish estimates of the number of new residential housing units started, under construction, completed, and the number of new houses sold and for sale. Data for two principal economic indicators are produced from the SOC: New Residential Construction (housing starts and housing completions) and New Residential Sales. In addition, a number of other statistical series are produced, including extensive information on the physical characteristics of new residential buildings, and indexes measuring rates of inflation in the price of new buildings.

Government agencies and private companies use statistics from SOC to monitor and evaluate the large and dynamic housing construction industry. For example, the Board of Governors of the Federal Reserve System uses data from this survey to evaluate the effect of interest rates in this interest-rate sensitive area of the economy. The Bureau of Economic Analysis uses the data in developing the Gross Domestic Product (GDP). The private sector uses the information for estimating the demand for building materials and the many products used in new housing and to schedule production, distribution, and sales efforts. The financial community uses the data to estimate the demand for short-term (construction loans) and long-term (mortgages) borrowing.

Affected Public: Business or other for-profit.

Frequency: Monthly.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 U.S.C., Section 182.

OMB Desk Officer: Susan Schechter, (202) 395–5103.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482–0266, Department of Commerce, room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at *dhynek@doc.gov*).

The Department of Commerce has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Southeast Region Dealer and Interview Family of Forms.

Form Number(s): None.

OMB Approval Number: 0648–0013.

Type of Request: Regular submission.

Burden Hours: 397.

Number of Respondents: 85.

Average Hours Per Response: 20 minutes.

Needs and Uses: NOAA proposes to add a reporting requirement to this family for forms. Fishery quotas are established for species in the deep-water and shallow-water management units within the Gulf of Mexico Reef Fish Fishery Management Plan (50 CFR 622.42(a)(ii) and (iii)). Existing methods of monitoring these fishery quotas have proven to be ineffective, and for the past two years landings for the species in these management units have exceeded the quotas. The Southeast Fisheries Science Center intends to use the authority under section 50 CFR 622.5(c)(3)(ii) to require dealers to report purchases (landings) on a monthly basis and every two weeks for the last two months of the season (year).

Affected Public: Business and other for-profit organizations, individuals or households.

Frequency: Monthly, biweekly for last two months of year.

Respondent's Obligation: Mandatory.

OMB Desk Officer: David Rostker, (202) 395–3897.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482–0266, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW, Washington, DC 20230 (or via the Internet at dHynek@doc.gov).
