Title: Child Care and Development Fund Annual Aggregate Report.

Description: Section 658K of the Child Care and Development Block Grant Act of 1990 (Pub. L. 101-508, 42 U.S.C. 9858) requires that the States and the Territories submit annual aggregate data on the children and families receiving direct services under the Child Care and Development Fund. The Administration for Children and Families (ACF) uses aggregate data to determine the scope, type, and methods of child care delivery. This provides ACF with the information necessary to make reports to Congress, address national child care needs, offer technical assistance to grantees, meet performance measures, and conduct research. Consistent with the statute and regulations, ACF requests extension of the ACF-800.

Respondents: States, the District of Columbia, and the Territories, including Puerto Rico, Guam, the U.S. Virgin Islands, American Samoa, and the Northern Mariana Islands.
