**SUPPLEMENTARY INFORMATION:** SBA Form 1050, Settlement Sheet is used in SBA’s 7(a) Loan Program to collect information from lenders and borrowers regarding the disbursement of loan proceeds. SBA relies on this information during the guaranty purchase review process as a component in determining whether to honor a loan guaranty. The current form includes 1050 Settlement Sheet instructions for the lender. The currently approved form primarily requires the lender and borrower to certify to whether they complied with a series of loan requirements. The current form also requires submission of documentation (e.g., joint payee or cancelled checks, invoices or paid receipts, and wire transfer records) in support of the certification. SBA has determined that the section for “Authorized Use of Proceeds” does not include in the Settlement Sheet all the categories for “Use of Proceeds” this

addition to the 1050 Settlement Sheet would enable the agency to effectively monitor compliance with loan disbursement procedures and will align with the “Use of Proceeds” categories for 7(a) loans. As a result, SBA is proposing to change both the content and format of the Form 1050.

The form will be divided into several sections to clearly identify the information to be submitted. The revised form will continue to collect the same basic identifying information such as loan amount, loan number and lender’s name. In addition, the form will continue to require certifications from both the lender and borrower regarding compliance with the disbursement requirements and accuracy of information submitted. In the section for “Authorized Use of Proceeds,” the revised 1050 Settlement Sheet will include “Land Acquisitions with or without improvements”, “Leasehold Improvements to property owned by applicant or owned by others”, “Export Working Capital (EWCP or Export Express)”, “Support Standby Letter of Credit (EWCP or Export Express)”, “Refinance Existing (EWCP) or Export LOC (EWCP)”, “Business Acquisition/Change of Ownership”, “Pay off SBA Loan, SID or Other Lender”, “Pay Notes Payable, SID or Other Lender”, “Pay Accounts Payable.” These changes will allow the lender to document all the sources and uses of funds at the time of loan closing more clearly. This additional information will better allow both lenders and SBA staff to ensure that the necessary information is collected at the time of loan origination.

**(a) Solicitation of Public Comments**

SBA is requesting comments on (i) Whether the collection of information is necessary for the agency to properly perform its functions; (ii) whether the burden estimates are accurate; (iii) whether there are ways to minimize the burden, including using automated techniques or other forms of information technology; and (iv) whether there are ways to enhance the quality, utility, and clarity of the information.
