

the U.S. Coast Guard, Acquisition Support Services, Baltimore, MD, Norfolk, VA & Oakland, CA contract. The Federal customer contacted and has worked diligently with the AbilityOne Program to fulfill this service need under the AbilityOne Program. To avoid performance disruption, and the possibility that the U.S. Coast Guard will refer its business elsewhere, this addition must be effective on May 29, 2022, ensuring timely execution for a June 1, 2022, start date while still allowing 16 days for comment. Pursuant to its own regulation 41 CFR 51–2.4, the Committee has been in contact with one of the affected parties, the incumbent of the expiring contract, since June 2021 and determined that no severe adverse impact exists. The Committee also published a notice of proposed Procurement List addition in the **Federal Register** on January 7, 2022 and did not receive any comments from any interested persons, including from the incumbent contractor. This addition will not create a public hardship and has limited effect on the public at large, but, rather, will create new jobs for other affected parties—people with significant disabilities in the AbilityOne program who otherwise face challenges locating employment. Moreover, this addition will enable Federal customer operations to continue without interruption.

Michael R. Jurkowski,

Acting Director, Business Operations.
