As a result of this broad spectrum of duties and services, the Department touches the lives of most Americans.

The people who deal with the Department bring with them a wide variety of backgrounds, cultures, and experiences. A diverse workforce enables the Department to provide a measure of understanding to its customers by relating to the diverse background of those customers. By including employees of all backgrounds, all DOI employees gain a measure of knowledge, background, experience, and comfort in serving all the Department's customers.
