

collection are furnished to interested warehouse operators or used by warehouse examiners employed by CCC to secure and record information about the warehouse and its operator. The information collected is necessary to provide those charged with executing contracts for CCC a basis upon which to determine whether the warehouse and the warehouse operator meet applicable standards for a contract and to determine compliance once the contract is approved.

Estimate of Burden: Public reporting burden for this information collection is estimated to average .7 hours per response.

Respondents: Warehouse Operators.

Estimated Number of Respondents: 75.

Estimated Number of Responses per Respondent: 12.

Estimated Total Annual Burden on Respondents: 2,557 hours.

Proposed topics for comment include: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of CCC's estimate of burden including the validity of the methodology and assumptions used; (c) enhancing the quality, utility, and clarity of the information collected; and (d) minimizing the burden of the collection of the information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology. Comments should be sent to the Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503, and to Shirlene Engle at the address listed above. All comments will become a matter of public record.

A comment to OMB is best assured of having its full effect if OMB receives it within 30 days of publication.

Signed at Washington, DC, on January 28, 2002.

James R. Little,

Executive Vice President, Commodity Credit Corporation.

Submission For OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: Shipper's Export Declaration (SED) Program.

Form Number(s): 7525-V (paper form), Automated Export System (AES) (automated form).

Agency Approval Number: 0607-0152.

Type of Request: Revision of a currently approved collection.

Burden: 944,188 hours.

Number of Respondents: 200,000.

Avg Hours Per Response: 11 minutes (7525-V), 3 minutes (AES).

Needs and Uses: The Census Bureau requests continued OMB clearance for the paper and electronic forms it uses in the Shipper's Export Declaration (SED) Program. These are the paper Shipper's Export Declaration (SED) 7525-V and its electronic equivalent, the Automated Export System (AES). The paper SED form has recently undergone substantial revisions. However, with this submission the Census Bureau intends to further revise the paper SED form to collect the forwarding agent's Employer Identification Number (EIN) by adding block 5b for "Forwarding Agent's (IRS) or ID No.". This change to the paper form will bring it up to date with pending changes in the Census Bureau's Export Regulations contained in 15 CFR, Part 30. These changes are already reflected in the AES. The Census Bureau is revising the electronic AES to meet the requirements for the mandatory AES filing of commodities identified on the Department of Commerce's Commerce Control List (CCL) and the Department of State's U.S. Munitions List (USML). This requirement is mandated by Public Law 106-113, Title XII, "Security Assistance," Subtitle E, "Proliferation Prevention Enhancement Act of 1999."
