Federal Energy Regulatory Commission

[Docket No. EL15–18–000]

Consolidated Edison Company of New York, Inc. (Complainant) v. PJM Interconnection, L.L.C., (Respondent); Notice of Complaint

Take notice that on November 7, 2014, pursuant to Rule 206 of the Federal Energy Regulatory Commission's (Commission) Rules of Practice and Procedure, 18 CFR 385.206 and sections 206 and 306 of the Federal Power Act, 16 U.S.C. 824(e) and (825(e)), Consolidated Edison Company of New York, Inc. (Con Edison or Complainant),

filed a complaint against the PJM Interconnection, L.L.C (PJM or Respondent). Con Edison requests that the Commission order PJM to revise its allocation of costs to Con Edison with respect to the PSE&G Sewaren and PSE&G Upgrade projects and to modify the PJM allocation method, as more fully explained in the complaint.

The Complainant certifies that copies of the complaint were served on the contacts for the Respondent as listed on the Commission's list of Corporate Officials.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. The Respondent's answer and all interventions, or protests must be filed on or before the comment date. The Respondent's answer, motions to intervene, and protests must be served on the Complainants.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 5 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for electronic review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive email notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please email FERCOnlineSupport@ferc.gov, or call (866) 208–3676 (toll free). For TTY, call (202) 502–8659.

Comment Date: 5:00 p.m. Eastern Time on December 1, 2014.

Dated: November 10, 2014.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. PF14–14–000]

Rover Pipeline LLC, Notice of Intent To Prepare an Environmental Impact Statement for the Planned Rover Pipeline Project, Request for Comments on Environmental Issues, and Notice of Public Scoping Meetings

The staff of the Federal Energy Regulatory Commission (FERC or Commission) will prepare an environmental impact statement (EIS) that will discuss the environmental impacts of the planned Rover Pipeline Project (Project) involving construction and operation of facilities by Rover Pipeline LLC (Rover) in multiple counties in Michigan, Ohio, West Virginia, and Pennsylvania. The Commission will use this EIS in its decision-making process to determine whether the Project is in the public convenience and necessity.

This notice, which is being sent to the Commission's current environmental mailing list for the Project, announces the opening of the scoping process that will be used to gather input about the Project from the public and other interested stakeholders. State and local government representatives should notify their constituents about this process and encourage them to comment on their areas of concern. Scoping comments will help the Commission staff determine what issues will need to be evaluated in the EIS. Please note that the scoping period will close on December 18, 2014.

Comments about the Project may be submitted in written form or verbally. The Public Participation section of this notice describes how to submit written comments. Verbal comments can be given at the public scoping meetings to be held in the Project area as scheduled below.
