

laboratory” concept, since that process will require new rule making and will need to address issues such as use of electronic technology to fulfill legal requirements for evidential chain of custody procedures. The Committee will be looking at the broad application of electronic security technology as a general concept and not necessarily assessing specific current products on the market. However, entities wanting to address specific technologies and products may submit a short product description and performance data to the docket for the Committee’s review.

The Committee meeting will be recorded and transcribed. Within a short time after the meeting, copies of the transcripts will be available on the DOT electronic docket.

Actions on Exemption Applications

AGENCY: Research and Special Programs Administration, DOT.

ACTION: Notice of actions on exemption applications.

SUMMARY: In accordance with the procedures governing the application for, and the processing of, exemptions from the Department of Transportation’s Hazardous Materials Regulations (49 CFR Part 107, Subpart B), notice is hereby given of the actions on exemption applications in January–March 2002. The modes of transportation involved are identified by a number in the “Nature of Applications” portion of the table below as follows: 1—Motor vehicle, 2—Rail freight, 3—Cargo vessel, 4—Cargo Aircraft only, 5—Passenger-carrying aircraft. Application numbers prefixed by the letters EE represent applications for Emergency Exemptions. It should be noted that some of the sections cited were those in effect at the time certain exemptions were issued.

Issued in Washington, DC, on April 9, 2002.

R. Ryan Posten,

Exemptions Program Officer, Office of Hazardous Materials, Exemptions and Approvals.
