Comments

A 60-day Notice requesting public comment was published in the **Federal Register** on November 24, 2020 at Vol. 85, No. 227, 74996-74997. This comment period ended January 25, 2021. Two public comments were received from this Notice. Both comments focused on the utility of the data and sharing the information with AmeriCorps programs and State Commissions. We completely agree with these comments and do our best to make the findings available; however, the ability to share the information widely is dependent on our resources.

Title of Collection: Performance Measurement in AmeriCorps.

OMB Control Number: 3045-0094.

Type of Review: Renewal.

Respondents/Affected Public: Individuals—AmeriCorps members.

Total Estimated Number of Annual Responses: 80,000.

Total Estimated Number of Annual Burden Hours: 20,000.

Abstract: All members in the three AmeriCorps programs—AmeriCorps State & National, VISTA, and the National Civilian Community Corps (NCCC)—are invited to complete a questionnaire upon completing their service term. The questionnaire asks members about their motivations for joining AmeriCorps, experiences while serving, and future plans and aspirations. Completion of the questionnaire is not required to successfully exit AmeriCorps, receive any stipends, educational awards, or other benefits of service. The purpose of the information collection is to learn more about the member experience and

member perceptions of their AmeriCorps experience in order to improve the program. Members complete the questionnaire electronically through the AmeriCorps Member Portal. Members are invited to respond as their exit date nears and are allowed to respond for an indefinite period following the original invitation. AmeriCorps seeks to renew the current information collection. The questionnaire submitted for clearance is unchanged from the previously cleared questionnaire. AmeriCorps also seeks to continue using the currently approved information collection until the revised information collection is approved by OMB. The current application expires on 3/31/2021.

Dated: March 31, 2021.

Andrea Robles,
Research and Evaluation Manager.
