DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 117

[Docket No. USCG-2015-0241]

Drawbridge Operation Regulation; Oakland Inner Harbor Tidal Canal, Alameda, CA

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the Alameda County highway drawbridge at Park Street across the Oakland Inner Harbor, mile 5.2, at Alameda, CA. The deviation is necessary to allow the bridge owner to make necessary repairs and rehabilitation of the bridge. This deviation allows single leaf operation of the double leaf, bascule-style drawbridge during the deviation period.

DATES: This deviation is effective from 8:30 p.m. on May 11, 2015 to 5 a.m. on August 14, 2015.

ADDRESSES: The docket for this deviation, [USCG-2015-0241], is available at <http://www.regulations.gov>. Type the docket number in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this deviation. You may also visit the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email David H. Sulouff, Chief, Bridge Section, Eleventh Coast Guard District; telephone 510-437-3516, email David.H.Sulouff@uscg.mil. If you have questions on viewing the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION: Alameda County has requested a temporary change to the operation of the Alameda County highway bridge at Park Street,

mile 5.2, over Oakland Inner Harbor, at Alameda, CA. The drawbridge navigation span provides horizontal clearance of 241 feet between pier fenders. During single leaf operation, horizontal clearance is reduced to approximately 100 feet. The drawbridge provides a vertical clearance of 15 feet above Mean High Water in the closed-to-navigation position and unlimited vertical clearance in the open-to-navigation position. As required by 33 CFR 117.181, the draw opens on signal; except that, from 8 a.m. to 9 a.m. and 4:30 p.m. to 6:30 p.m. Monday through Friday except Federal holidays, the draw need not be opened for the passage of vessels. However, the draw shall open during the above closed periods for vessels which must for reasons of safety, move on a tide or slack water, if at least two hours notice is given. Navigation on the waterway is commercial, recreational, emergency and law enforcement vessels.

During the deviation period, the drawspan will be operated with only one leaf between 8:30 p.m. and 5 a.m., Sunday through Thursday, while the opposite leaf will be secured in the closed-to-navigation position for rehabilitation. A two hour advance notice will be required from vessel operators for a double leaf opening. At night and on weekends, the drawbridge will resume the normal double leaf operation, when work is not being performed on the bridge. This temporary deviation has been coordinated with the waterway users. No objections to the proposed temporary deviation were raised.

Vessels able to pass through the bridge in the closed position may do so at anytime. The bridge will be able to open for emergencies and there is no immediate alternate route for larger vessels to pass. The Coast Guard will also inform the waterway users via our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so vessel operators can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: April 24, 2015.

D.H. Sulouff,

District Bridge Chief, Eleventh Coast Guard District.

BILLING CODE 9110-04-P

DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 77

RIN 2900-AP07

Grants for Adaptive Sports Programs for Disabled Veterans and Disabled Members of the Armed Forces

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: This final rule amends Department of Veterans Affairs (VA) regulations to establish a new program to provide grants to eligible entities to provide adaptive sports activities to disabled veterans and disabled members of the Armed Forces. This rulemaking is necessary to implement a change in the law that authorizes VA to make grants to entities other than the United States Olympic Committee for adaptive sports programs. It establishes procedures for evaluating grant applications under this grant program, and otherwise administering the grant program. This rule implements section 5 of the VA Expiring Authorities Extension Act of 2013.

DATES: *Effective Date:* This final rule is effective May 4, 2015.

FOR FURTHER INFORMATION CONTACT: Michael F. Welch, Program Specialist, Office of National Veterans Sports Programs and Special Events (002C), Department of Veterans Affairs, 810 Vermont Ave. NW., Washington, DC 20420, (202) 632-7136. (This is not a toll-free number).

SUPPLEMENTARY INFORMATION: VA is required by 38 U.S.C. 521A to "carry out a program under which the Secretary may make grants to eligible entities for planning, developing, managing, and implementing programs to provide adaptive sports opportunities for disabled veterans and disabled members of the Armed Forces." On July 1, 2014, VA published an interim final rule in the **Federal Register**, 79 FR 37211, establishing regulations for conducting the grant program including evaluation of grant applications and otherwise administering the grant program in accordance with the law.

Interested persons were invited to submit written comments on or before September 2, 2014. We received two comments on the interim final rule from two individuals. One commenter praised the adaptive sports programs described in the interim final rule, noting that they "would be beneficial in so many ways" for disabled veterans, and stated that taking care of veterans "should be one of the highest, if not the
