Public comments on the ICR are invited.

DATES: The OMB will consider all written comments that agency receives on or before October 22, 2014.

Michel Smyth by telephone at 202–693–4129, TTY 202–693–8064, (these are not

Authority: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Employment and Training Administration Disaster Unemployment Assistance Handbook, which includes Reporting Form ETA–902. Robert T. Stafford Disaster Relief and Emergency Assistance Act sections 410 and 423 provide for assistance to eligible individuals who are unemployed due to a major disaster. State Workforce Agencies through individual agreements with the Secretary of Labor, act as agents of the Federal government in providing Disaster Unemployment Assistance (DUA) to eligible applicants who are unemployed as a direct result of a major disaster. Form ETA–902 is a monthly report submitted by a State on DUA program activities once the President declares a disaster. Form ETA–902 is prescribed pursuant to regulations 20 CFR 625.8 and 625.9 and is necessary for oversight of the DUA program. This information collection has been classified as a revision, because Form 902–A has been discontinued. Form 902–A was designed specifically for the Gulf Coast Oil Spill. The time has passed for submitting Form 902–A; consequently, its continuance no longer has practical utility. Social Security Act section 303(a)(6) authorizes this information collection. See 42 U.S.C. 503(a)(6).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205–0051. The current approval is scheduled to expire on September 30, 2014; however, the DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice

published in the **Federal Register** on March 20, 2014 (79 FR 15614).
