DEPARTMENT OF LABOR

Employment and Training Administration

Proposed Collection; Comment Request

ACTION: Notice and request for comments.

SUMMARY: The Department of Labor (DOL), as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies

with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. 3506(c)(2)(A)). This program helps to ensure that the requested data can be provided in the desired format, the reporting burden (time and financial resources) is minimized, the collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Employment and Training Administration (ETA) is soliciting comments about the proposed new collection of information on the validity or correctness of certain Unemployment Insurance (UI) data that States now provide to ETA in monthly, quarterly or annual reports. Some of these data are used to calculate performance measures or to allocate the funds used for program administration. ETA is seeking Office of Management and Budget (OMB) approval under the PRA95 to establish a UI Data Validation (UIDV) program to replace the existing Workload Validation (WV) program. The WV program, for which authority expired on 12/31/2000, validated—checked the accuracy of—a small number of reported data elements that

are used to determine the allocation of funds appropriated for UI program administration. Under the more comprehensive UIDV program, States would validate about half the data they now report, including all the workload items. The UIDV system would increase the validation reporting burden. A copy of the proposed information collection request (ICR) can be obtained by contacting the office listed below in the **ADDRESSES** section of this notice.

DATES: Written comments must be submitted to the office listed in the **ADDRESSES** section below on or before May 29, 2001.

ADDRESSES: All comments about this proposed collection of information should be addressed to: Burman Skrable, Office of Workforce Security, Employment and Training Administration, U.S. Department of Labor, Room S-4231, 200 Constitution Avenue, NW., Washington, DC 20210. Telephone: 202-693-3197 (this is not a toll-free number); fax: 202-693-3229; e-mail: bskrable@doleta.gov.
