SOCIAL SECURITY ADMINISTRATION

Agency Information Collection

Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law (Pub. L. 104-13), the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes a revision to an OMB-approved information collection.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize the burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, e-mail, or fax your comments and recommendations on the information

1. Claimant's Recent Medical Treatment—20 CFR 404.1512 and 416.912—0960-0292 Form HA-4631 is a questionnaire used by SSA to obtain updated medical evidence. Each claimant who requests a hearing before an Administrative Law Judge (ALJ) has a right to such a hearing once the

Disability Determination Service (DDS), at the Reconsideration level, has denied the claim. SSA requests the claimant complete and return the HA-4631 if the claimant's file does not reflect a complete medical history. Because the claimant's situation may change over time, as the claimant proceeds through the appeals process, ALJs must obtain the information on Form HA-4631 to update and complete the record and to verify the accuracy of information previously provided. It is by this process, ALJs can ascertain whether the claimant's situation has changed. The ALJ and Hearing Office (HO) staff use the response to make hearing arrangements for consultative examination(s) and the attendance of an expert witness(es), if appropriate. At the hearing, the ALJ offers any completed questionnaires as exhibits and may use them to refresh the claimant's memory, and to inquire into the matters at issue. The respondents are claimant's requesting hearings on entitlement to benefits based on disability under Titles II and/or XVI of the Social Security Act.

Number of Respondents: 350,000.

Frequency of Response: 1.
