Comments Invited

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. This collection of information assists the agency in ensuring that candidates under employment consideration for TSO positions meet the qualification standards to perform the functions of the positions successfully. TSA collects the information through a medical questionnaire and supplemental forms.
