SUPPLEMENTARY INFORMATION:

I. Introduction

Funds for the Veterans Pro Bono Program are authorized by and subject to Public Law 102-229, 105 Stat. 1701, as incorporated by reference in subsequent appropriations for the United States Court of Appeals for Veterans Claims (Court). That law requires the Court to provide the funds to LSC to award grants or contracts for the provision of "legal or other assistance, without charge, to veterans and other persons who are unable to afford the cost of legal representation in connection with decisions" of, or other proceedings in, the Court.

Public Law 102-229 requires this assistance to be provided through "a program that furnishes case screening and referral, training and education for attorney and related personnel, and encouragement and facilitation of pro bono representation by members of the bar and law school clinical and other appropriate programs, such as veterans service organizations, and through defraying expenses incurred in providing representation to such persons[.]"

I. Grant Application Process

A. Eligibility

LSC seeks proposals from (1) Non-profit organizations that have as a purpose the provision of free legal assistance to low-income individuals or the provision of free services to veterans; or (2) private attorneys or law firms that seek to establish such a non-profit for these purposes.

B. Veterans Pro Bono Grant Application Process

Applicants must first submit a Pre-Application to LSC via email to TaboasA@lsc.gov by Thursday, April 14, 2022, by 5 p.m. Eastern Time to be considered for a grant. After review by LSC staff, LSC's leadership decides which applicants will be asked to submit a full application. Applicants will be notified of approval to submit a full application by early May 2022. Full applications are due to LSC via email to TaboasA@lsc.gov by 5 p.m. Eastern on July 8, 2022. Once received, full applications will undergo a rigorous review by LSC staff and other subject matter experts. LSC leadership makes the final decision on funding the Veterans Pro Bono Program Grant.

The Pre-Application must not exceed seven (7) single-spaced pages and must be submitted as a single PDF document.

D. Late or Incomplete Pre-Applications

LSC may consider a request to submit a Pre-Application after the deadline, but only if the Applicant submitted an email to TaboasA@lsc.gov explaining the circumstances that caused the delay before the Pre-Application deadline. Communication with LSC staff is not a substitute for sending a formal request and explanation to TaboasA@lsc.gov. At its discretion, LSC may consider incomplete Pre-Applications.
