C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.¹⁸

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's internet comment form (<https://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include file number SR-BX-2023-016 on the subject line.

Paper Comments

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE, Washington, DC 20549-1090. All submissions should refer to file number SR-BX-2023-016. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's internet website (<https://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written

communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission's Public Reference Room, 100 F Street NE, Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. Do not include personal identifiable information in submissions; you should submit only information that you wish to make available publicly. We may redact in part or withhold entirely from publication submitted material that is obscene or subject to copyright protection. All submissions should refer to file number SR-BX-2023-016 and should be submitted on or before August 15, 2023.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁹

Sherry R. Haywood,
Assistant Secretary.

Federal Railroad Administration

Railworthiness Directive for Tank Cars Owned by Sumitomo Mitsui Banking Corporation Rail Services, LLC and Equipped With Rubber Linings Owned by Sumitomo Mitsui Banking Corporation Rail Services, LLC; RWD No. 2023–01

AGENCY: Federal Railroad Administration (FRA), Department of Transportation (DOT).

ACTION: Notice of issuance and availability of railworthiness directive.

SUMMARY: On July 19, 2023, FRA issued a Railworthiness Directive (Directive or RWD) to Sumitomo Mitsui Banking Corporation Rail Services, LLC (SMBC). This document announces FRA’s issuance of the RWD, RWD No. 2023–01, and its availability on FRA’s website.

FOR FURTHER INFORMATION CONTACT:

Randy Keltz, Manager of Tank Car Safety Programs, Motive Power & Equipment Division, Office of Railroad Infrastructure & Mechanical, telephone: (202) 236–7460, email: Randy.Keltz@dot.gov.

SUPPLEMENTARY INFORMATION: FRA issued this Directive, RWD No. 2023–01, under 49 CFR 180.509(b)(4) to SMBC based on its finding that as a result of non-conforming qualification practices, SMBC-owned DOT–111 tank cars, equipped with SMBC-owned rubber linings, may be in an unsafe operating condition that could result in the release of hazardous materials into the environment. As a result of the identified non-conforming qualification practices, these cars may have substantial rubber lining defects, potentially affecting each tank car’s ability to retain its contents during transportation.

FRA issued the Directive to ensure public safety, ensure compliance with the applicable Federal regulations governing the safe movement of hazardous materials by rail, and ensure the railworthiness of the tank cars. The full text of the Directive is available on
