Notice of Two-Year, Temporary Emergency Closure to motorized vehicle use on the Cherry and Frenchie Fires in Gem, Payette, and Washington Counties, ID

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: 43 CFR Subpart 8364—Closure and Restrictions, 8364.1 (a) states: “To protect persons, property, and public lands and resources, the authorized officer may issue an order to close or restrict use of designated public lands.” In coordination with several livestock grazing permittees and the Idaho Department of Fish and Game, all BLM-administered roads within the Cherry and Frenchie Fires of 2006 will be closed to all motorized vehicle travel (e.g., all-terrain vehicles, pickup trucks, motorcycles, sport utility vehicles, snowmobiles, etc.), including existing roads and two-tracks within the perimeter. This action is necessary for the protection of watershed resources and highly erosive soils to allow adequate time to allow for the rehabilitation of the burned area. No motorized vehicle travel into these areas will be allowed, including motorized travel for purposes of retrieval of big game, unless specifically authorized (in writing) by the authorized officer (BLM Four Rivers Field Office Manager).

The following acts are exempt from this action: (1) Access within the area by other means (e.g., foot or horseback); (2) persons with a BLM permit or contract specifically authorizing motor vehicle use; (3) owners or lessees of land in the closed area with written authorization; (4) any BLM employee or livestock grazing permittee providing maintenance to a structure or facility; and (5) any Federal, State, or local officer, or member of an organized rescue or fire fighting force in the performance of an official duty. Extension of the closure order may occur if it is determined that the rehabilitation of the burned area has not been successful. Once rehabilitation of the burned area is determined to be

successful, motorized vehicle access will resume in accordance with the 1988 Cascade Resource Management Plan (RMP) Record of Decision (ROD), opening the area to off-road vehicle use, providing no resource damage occurs. Roads and fire lines will be appropriately signed to inform the public of the closure. This closure will affect the following areas:
