NACIQI will hear from a panel of experts regarding key issues to consider toward a federal postsecondary student-level data network.

Subcommittee on Regulatory Reform

The Subcommittee on Regulatory Reform will report out on its activities and on any draft recommendations to the full Committee.

Meeting Discussion Regarding Individual Agencies

In addition to following the HEA, the FACA, implementing regulations, and the NACIQI charter, as well as its customary procedural protocols, NACIQI inquiries will include the questions and topics listed in the pilot plan it adopted at its December 2015 meeting. A document entitled “June 2016 Pilot Plan” and available at: <http://sites.ed.gov/naciqi/files/naciqi-dir/2016-spring/pilot-project-march-2016.pdf>, provides further explanation and context framing NACIQI’s work. As noted in this document, NACIQI’s reviews of accrediting agencies will include consideration of data and information available on the accreditation data dashboards, <https://sites.ed.gov/naciqi/files/2017/09/Institutional-Performance-by-Accreditor-June-2017-Corrected.pdf>. Accrediting agencies that will be reviewed for renewal of recognition will not be on the consent agenda and are advised to come prepared to answer questions related to the following:

- Decision activities of and data gathered by the agency.
 - NACIQI will inquire about the range of accreditation activities of the agency since its prior review for recognition, including discussion about the various favorable, monitoring, and adverse actions taken. Information about the primary standards cited for the

monitoring and adverse actions that have been taken will be sought.

- NACIQI will also inquire about what data the agency routinely gathers about the activities of the institutions it accredits and about how that data is used in their evaluative processes.

- Standards and practices with regard to student achievement.

- How does the agency address “success with respect to student achievement” in the institutions it accredits?

- Why was this strategy chosen? How is this appropriate in the agency’s context?

- What are the student achievement challenges in the institutions accredited by the agency?

- What has changed/is likely to change in the standards about student achievement for the institutions accredited by the agency?

- In what ways have student achievement results been used for monitoring or adverse actions?

- Agency activities in improving program/institutional quality.

- How does this agency define “at risk?”

- What tools does this agency use to evaluate “at risk” status?

- What tools does this agency have to help “at risk” institutions improve?

- What can the agency tell us about how well these tools for improvement have worked?

To the extent NACIQI’s questions go to improvement of institutions and programs that are not at risk of falling into noncompliance with agency requirements, the responses will be used to inform NACIQI’s general policy recommendations to the Department rather than its recommendations regarding recognition of any individual agency.

The discussions and issues described above are in addition to, rather than substituting for, exploration by Committee members of any topic relevant to recognition.

Submission of requests to make an oral comment regarding a specific accrediting agency or state approval agency under review, or an oral or written statement regarding other issues within the scope of NACIQI’s authority: Opportunity to submit a written comment regarding a specific accrediting agency or state approval agency under review was provided by a previous **Federal Register** notice published on July 25, 2017 (82 FR 34511). The comment period for submission of such written comments closed on August 13, 2017. Additional written comments regarding a specific

agency or state approval agency under review will not be accepted at this time. However, members of the public may submit written statements regarding other issues within the scope of NACIQI's authority for consideration by the Committee in the manner described below. No individual in attendance or making oral presentations may distribute written materials at the meeting. Oral comments may not exceed three minutes.

Oral comments about an agency's recognition after review of a compliance report must relate to issues identified in the compliance report and the criteria for recognition cited in the senior Department official's letter that requested the report, or in the Secretary's appeal decision, if any. Oral comments about an agency seeking expansion of scope must be directed to the agency's ability to serve as a recognized accrediting agency with respect to the kinds of institutions or programs requested to be added. Oral comments about the renewal of an agency's recognition based on a review of the agency's petition must relate to its compliance with the Criteria for the Recognition of Accrediting Agencies, or the Criteria and Procedures for Recognition of State Agencies for Approval of Nurse Education, as appropriate, which are available at: <http://www.ed.gov/admins/finaid/accred/index.html>. Written statements and oral comments, besides those regarding a specific accrediting agency under review, must be limited to the scope of NACIQI's authority as outlined under section 114 of the HEA.

There are two methods the public may use to request to make a third-party oral comment of three minutes at the February 7–9, 2018 meeting. To submit a written statement to NACIQI in accordance with the parameters stated above, please follow Method One.

Method One: Submit a request by email to the ThirdPartyComments@ed.gov mailbox. Please do not send material directly to NACIQI members. Requests must be received by January 26, 2018, and include the subject line "Oral Comment Request: (agency name)," "Oral Comment Request: (subject)" or "Written Statement: (subject)." The email must include the name(s), title, organization/affiliation, mailing address, email address, telephone number, of the person(s) submitting a written statement or requesting to speak, and a brief summary (not to exceed one page) of the principal points to be made during the oral presentation, if applicable. All individuals submitting a request in accordance with the deadlines and

instructions contained in this notice will be afforded an opportunity to speak.

Method Two: Register at the meeting location on February 7, 2018, from 7:30 a.m.–8:30 a.m., to make an oral comment during NACIQI's deliberations. The requestor must provide the subject on which he or she wishes to comment, in addition to his or her name, title, organization/affiliation, mailing address, email address, and telephone number. A total of up to fifteen minutes for each agenda item will be allotted for oral commenters who register on February 7, 2018 by 8:30 a.m. Individuals will be selected on a first-come, first-served basis. If selected, each commenter may not exceed three minutes.

Access to Records of the Meeting: The Department will post the official report of the meeting on the NACIQI website within 90 days after the meeting. Pursuant to the FACA, the public may also inspect the materials at 400 Maryland Avenue SW, Washington, DC, by emailing aslrecordsmanager@ed.gov or by calling (202) 453–7110 to schedule an appointment.

Reasonable Accommodations: The meeting site is accessible to individuals with disabilities. If you will need an auxiliary aid or service to participate in the meeting (e.g., interpreting service, assistive listening device, or materials in an alternate format), notify the contact person listed in this notice at least two weeks before the scheduled meeting date. Although we will attempt to meet a request received after that date, we may not be able to make available the requested auxiliary aid or service because of insufficient time to arrange it.
