Endangered Species; File No. 27106

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; receipt of application and conservation plan for an incidental take permit; and request for comment.

SUMMARY: Notice is hereby given that the North Carolina Department of Environment and Natural Resources, Division of Marine Fisheries (NCDMF) has applied in due form for a permit pursuant to the Endangered Species Act of 1973, as amended (ESA). As required

by the ESA, NCDMF's application includes a conservation plan designed to minimize and mitigate take of endangered or threatened species. The permit application is for the incidental take of ESA-listed sea turtles and sturgeon associated with the otherwise lawful gill net fisheries operating in the inshore waters of North Carolina. The duration of the requested permit is 10 years. NMFS is providing this notice in order to allow other agencies and the public an opportunity to review and comment on the application materials. All comments received will become part of the public record and will be available for review.

DATES: Written comments must be received at the appropriate address (see **ADDRESSES**) on or before January 23, 2023.

ADDRESSES: The application is available for download and review at <https://www.fisheries.noaa.gov/national/endangered-species-conservation/incidental-take-permits> and at <http://www.regulations.gov>. The application is also available upon request (see **FOR FURTHER INFORMATION CONTACT**).
