SOCIAL SECURITY ADMINISTRATION

Privacy Act of 1974; as Amended; Proposed Alteration to an Existing Privacy Act System of Records, Housekeeping Changes, and New Routine Use

AGENCY: Social Security Administration (SSA).

ACTION: Altered system of records and housekeeping changes.

SUMMARY: In accordance with the Privacy Act (5 U.S.C. 552a(e)(4) and (e)(11)), we are issuing public notice of our intent to alter an existing system of records, make housekeeping and other miscellaneous changes, and add a routine use applicable to our system of records entitled the *Listing and Alphabetical Name File (Folder) of Vocational Experts, Medical Experts, and Other Health Care Professional and/or Non-Health Care Professional Experts (Medicare) (60-0012)*. Hereinafter, we will refer to the system as the *File (Folder) and Hearing Availability and Scheduling Information of Vocational Experts, Medical Experts, Other Health Care Professional and/or Non-Health Care Professional Experts (Medicare), and Verbatim Hearing Reporters*.

We propose the following changes:

- Change the system of records name from the *Listing and Alphabetical Name File (Folder) of Vocational Experts, Medical Experts, and Other Health Care Professional and/or Non-Health Care Professional Experts (Medicare) to the File (Folder) and Hearing Availability and Scheduling Information of Vocational Experts, Medical Experts, Other Health Care Professional and/or Non-Health Care Professional Experts (Medicare), and Verbatim Hearing Reporters* to more accurately reflect the functions and persons covered by the system of records.

- Expand the category of persons covered by the system of records to include persons who provide verbatim reporter services.

- Expand the category of records we maintain in the system of records to include Social Security number (SSN), employer identification number, primary specialty, business address(es), and telephone numbers; e.g., business, fax and cell phone. The expanded category also will include the blanket purchase agreement number, contract beginning and ending dates, renewal date, termination date, and termination reason.

- Add new routine use number 9 to the system of records to allow us to disclose information to the Department

of Treasury to assist in collecting erroneous payments made to persons who provide services in disability and non-disability hearing cases.

- Edit the document to ensure a more reader-friendly document and correct miscellaneous and stylistic format errors.

We discuss the system of records changes in the Supplementary Information section below. We invite public comments on this proposal.

DATES: We filed a report of the system of records with the Chairman of the Senate Committee on Homeland Security and Governmental Affairs, the Chairman of the House Committee on Oversight and Government Reform, and the Administrator, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), on April 21, 2011. The system of records will become effective on May 30, 2011, unless we receive comments before that date that require further consideration.
