SUPPLEMENTARY INFORMATION:

Title: Information Collection for the Summer Food Service Program (SFSP).

OMB Number: 0584-0280.

Form Number: FNS-418.

Expiration Date: February 28, 2013.

Type of Request: Revision of a currently approved collection.

Abstract: SFSP is authorized under section 13 of the Richard B. Russell National School Lunch Act (NSLA) (42 U.S.C. 1761). The SFSP is directed toward children in low-income areas when school is not in session and is operated locally by approved sponsors. Local sponsors may include public or

private non-profit school food authorities (SFAs), public or private non-profit residential summer camps, units of local, municipal, county or State governments, or other private non-profit organizations that develop a special summer program and provide meal service similar to that available to children during the school year under the National School Lunch Program (NSLP) and the School Breakfast Program (SBP). Program operators submit monthly claims using FNS-418 to its administering agency to receive reimbursement.

This is a revision of a currently approved collection. It revises reporting burden as a result of program changes and corrections to the recordkeeping burden hours. Current OMB inventory for this collection includes only reporting burden and that consists of 182,683 hours. As a result of program changes and reevaluation of existing program tasks, the reporting burden was significantly reduced by 42,693 hours since last renewal. However, as a result of reinstating the recordkeeping burden, this reduction is estimated at 7,291 hours. No substantive revisions have occurred to the form (FNS-418). The average burden per response and the annual burden hours for reporting and recordkeeping are explained below and summarized in the charts which follow.
