### Overview of This Information

(1) *Type of information collection:* Reinstatement, with change, of a previously approved collection for which approval has expired.

(2) *The title of the form/collection:* Police Public Contact Survey.

(3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* PPCS-1. Bureau of Justice Statistics, Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract: Primary:* Eligible individuals must be age 16 or older. *Other:* None.

The Police Public Contact Supplement fulfills the mandate set forth by the Violent Crime Control and Law Enforcement Act of 1994 to collect, evaluate, and publish data on the use of excessive force by law enforcement personnel. The survey will be conducted as a supplement to the National Crime Victimization Survey in all sample households for a six (6) month period.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* Approximately 15,117 respondents will be eligible for the PPCS each month from July to December 2011. Of the eligible 90,700 persons, we expect approximately 80 percent or 72,600 of the eligible persons will complete a PPCS interview. Of those persons interviewed for the PPCS, we estimate approximately 81.5 percent or 59,100 will complete only the first two (contact screener questions) survey questions. The estimated time to complete the control information on the PPCS form, read the introductory

statement, and administer the first two contact screener questions to the respondents is approximately 2 minute per person. Furthermore, we estimate that the remaining 18.5 percent of the interviewed persons or 13,400 persons will report a face-to-face contact with the police during the 12 month reference period prior to the date of interview. The time to ask the detailed questions regarding the nature of the contact is estimated to take an average of 10 minutes. Respondents will be asked to respond to this survey only once during the six month period.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total estimated annual burden hours are 4,193 hours.

## DEPARTMENT OF JUSTICE

### Federal Bureau of Prisons

#### Notice of Availability of the Environmental Assessment for New Low Security Beds

**AGENCY:** U.S. Department of Justice, Federal Bureau of Prisons.

**ACTION:** Public comment on environmental assessment.

**SUMMARY:** The U.S. Department of Justice, Federal Bureau of Prisons (BOP) announces the availability of the Environmental Assessment (EA) prepared for the proposed contract to secure additional inmate bed space for the BOP's growing inmate population.

As part of an initiative (known as the Criminal Alien Requirement), the BOP has identified a specific requirement to

confine a population of approximately 1,000 low-security adult male inmates that are primarily criminal aliens. The BOP is seeking to reduce prison overcrowding by requesting additional contract beds for low-security male criminal aliens.

In accordance with the National Environmental Policy Act (NEPA) of 1969, the Council of Environmental Quality Regulations (40 CFR parts 1500–1508), and the Department of Justice procedures for implementing NEPA (28 CFR part 61), the BOP has prepared an EA to evaluate the proposed action of contracting with one private contractor to house approximately 1,000 Federal, low-security, adult male, non-U.S. citizen, criminal aliens at a contractor-owned, contractor-operated correctional facility.

The BOP's EA evaluates the potential environmental consequences of five action alternatives and the No Action Alternative. Natural, cultural, and socioeconomic resource impacts associated with the implementation of the proposed action at each of the proposed alternative locations were analyzed to determine how these resources may be affected by contracting for an existing correctional facility to house BOP inmates.

The alternatives considered for this proposed action include: Lee Adjustment Center, Beattyville, Kentucky; Limestone County Detention Center, Groesbeck, Texas; Jackson Parish Correctional Center, Jonesboro, Louisiana; Pine Prairie Correctional Center, Pine Prairie, Louisiana; or the Jack Harwell Detention Facility, Waco, Texas. Inmates housed in these facilities would be aliens from any number of countries who have committed crimes within the U.S. and are being held for trial, or who have been convicted and sentenced to serve time within the Federal prison system. Upon completion of their sentences, these inmates would be deported to their country of origin.

*Request for Comments:* The BOP invites your participation and is soliciting comments on the EA. The EA will be the subject of a 30-day comment period which begins January 28 and ends February 28, 2011. Comments concerning the EA and the proposed action must be received during this time to be assured consideration. All written comments received during this review period will be taken into consideration by the BOP. Copies of the EA are available for public viewing at:
