

NARA-approved agency records schedule with a very short-term retention) on the electronic mail system itself, without the need to copy the record to a paper or electronic recordkeeping system, provided that:

(i) Users do not delete the messages before the expiration of the NARA-approved retention period, and

(ii) The system's automatic deletion rules ensure preservation of the records until the expiration of the NARA-approved retention period.

(3) Except for those electronic mail records within the scope of paragraph (b)(2) of this section,

(i) Agencies must not store the recordkeeping copy of electronic mail messages that are Federal records only on the electronic mail system, unless the system has all of the features specified in paragraph (b)(1) of this section.

(ii) If the electronic mail system is not designed to be a recordkeeping system, agencies must instruct staff on how to copy Federal records from the electronic mail system to a recordkeeping system.

3. Amend § 1234.32 by revising paragraph (d) to read as follows:

§ 1234.32 Retention and disposition of electronic records.

* * * * *

(d) Electronic mail records may not be deleted or otherwise disposed of without prior disposition authority from NARA (44 U.S.C. 3303a).

(1) *Electronic mail records with very short-term (transitory) value.* Agencies may use the disposition authority in General Records Schedule 23, Item 7 for electronic mail records that have very short-term retention periods (e.g., 90, 120, or 180 days). (see 36 CFR 1234.24(b)(2)).

(2) *Other records on the electronic mail system.* When an agency has taken the necessary steps to retain the record in a scheduled recordkeeping system, the identical version that remains on the user's screen or in the user's mailbox has no continuing value. Therefore, NARA has authorized deletion of the version of the record on the electronic mail system under General Records Schedule 20, Item 14, after the record has been preserved in a recordkeeping system along with all appropriate transmission data. If the records in the recordkeeping system are not scheduled, the agency must follow the procedures at 36 CFR part 1228.

(3) *Records in recordkeeping systems.* The disposition of electronic mail records that have been transferred to an appropriate recordkeeping system is governed by the records schedule or

schedules that control the records in that system. If the records in the recordkeeping system are not scheduled, the agency must follow the procedures at 36 CFR part 1228.
