Fiscal Year 2006 Tribal Wildlife Grants; Request for Grant Proposals

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of request for proposals.

SUMMARY: We, the Fish and Wildlife Service (Service), are soliciting project proposals for Federal assistance under the Tribal Wildlife Grants program (TWG). The Department of the Interior and Related Agencies Appropriations Act for Fiscal Year (FY) 2006 authorized an appropriation of \$68,174,000 (subject to potential rescission to meet other important national priorities) for wildlife conservation grants to States and to the District of Columbia, U.S. Territories, and Tribes under provisions of the Fish and Wildlife Act of 1956 and the Fish and Wildlife Coordination Act, for the development and implementation of programs for the benefit of wildlife and their habitat, including species that are not hunted or fished. The Act further specified that

the Service use \$5,971,000 of the funds for a competitive grant program available to federally recognized Indian Tribes. This allows the Secretary, through the Director of the Service, to manage a separate Tribal grant program not subject to the provisions of the formula-based State Wildlife Grants program, or other requirements of the State Wildlife Grants portion of Public Law 107-63.

DATES: Project proposals must be postmarked by January 31, 2006 and submitted to the appropriate Regional Office (see Table 1 in **ADDRESSES**).
