

In connection with the final disposition of this investigation, the Commission may (1) issue an order that could result in the exclusion of the subject articles from entry into the United States, and/or (2) issue one or more cease and desist orders that could result in the respondent(s) being required to cease and desist from engaging in unfair acts in the importation and sale of such articles. Accordingly, in addition to the issues identified above, the Commission is interested in receiving written submissions that address the form of remedy, if any, that should be ordered. If a party seeks exclusion of an article from entry into the United States for purposes other than entry for consumption, the party should so indicate and provide information establishing that activities involving other types of entry either are adversely affecting it or likely to do so. For background, see *In the Matter of Certain Devices for Connecting Computers via Telephone Lines*, Inv. No. 337-TA-360, USITC Pub. No. 2843 (December 1994) (Commission Opinion).

If the Commission contemplates some form of remedy, it must consider the effects of that remedy upon the public interest. The factors the Commission will consider include the effect that an exclusion order and/or cease and desist orders would have on (1) the public health and welfare, (2) competitive conditions in the U.S. economy, (3) U.S. production of articles that are like or directly competitive with those that are subject to investigation, and (4) U.S. consumers. The Commission is therefore interested in receiving written submissions that address the aforementioned public interest factors in the context of this investigation.

If the Commission orders some form of remedy, the U.S. Trade Representative, as delegated by the President, has 60 days to approve or disapprove the Commission's action. See Presidential Memorandum of July 21, 2005, 70 FR 43251 (July 26, 2005). During this period, the subject articles would be entitled to enter the United States under bond, in an amount determined by the Commission. The Commission is therefore interested in receiving submissions concerning the amount of the bond that should be imposed if a remedy is ordered.

Written Submissions: The parties to the investigation are requested to file written submissions on only the issues identified in this notice. Parties to the investigation, interested government agencies, and any other interested parties are encouraged to file written submissions on the issues of remedy,

the public interest, and bonding. Such submissions should address the ALJ's recommendation on remedy and bonding. Complainants and the Commission investigative attorney are also requested to submit proposed remedial orders for the Commission's consideration. Complainants are also requested to state the dates that each of the asserted patents are set to expire and the HTSUS numbers under which the accused products are imported. The written submissions and proposed remedial orders must be filed no later than close of business on Friday, March 2, 2012. Reply submissions must be filed no later than the close of business on Friday, March 9, 2012. No further submissions on these issues will be permitted unless otherwise ordered by the Commission.

Persons filing written submissions must file the original document and 8 true copies thereof on or before the deadlines stated above with the Office of the Secretary. Any person desiring to submit a document to the Commission in confidence must request confidential treatment unless the information has already been granted such treatment during the proceedings. All such requests should be directed to the Secretary of the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR 210.6. Documents for which confidential treatment by the Commission is sought will be treated accordingly. All nonconfidential written submissions will be available for public inspection at the Office of the Secretary.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: February 21, 2012.

James R. Holbein,

Secretary to the Commission.

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice of Solicitation for Grant Applications (SGA).

Funding Opportunity Number: SGA/DFA PY 11-08.

SUMMARY: The U.S. Department of Labor (the Department) announces the availability of up to \$500 million in grant funds to be awarded under the Trade Adjustment Assistance Community College and Career Training (TAACCCT) grants program. The TAACCCT grants program provides eligible institutions of higher education, as defined in section 102 of the Higher Education Act of 1965 (20 U.S.C. 1002), with funds to expand and improve their ability to deliver education and career training programs that can be completed in two years or less, and are suited for workers who are eligible for training under the Trade Adjustment Assistance (TAA) for Workers Program ("TAA-eligible workers") of the Trade Act of 1974 (as amended) 19 U.S.C. 2271-2323, as well as other adults. Eligible institutions may be located in the 50 States, the District of Columbia, Puerto Rico or the U.S. territories; however, the competitiveness of institutions in the U.S. territories under this SGA may be impacted by their limited opportunity to serve TAA-eligible workers.

The Department intends to fund multi-year grants to eligible institutions for either developing new education and career training program strategies or for replicating existing evidence-based design, development, and/or delivery strategies for such programs.

In accordance with the TAACCCT requirement that each state receive at least 0.5 percent of the approximately \$500 million total amount of funds available under this SGA, the Department intends to fund grants of \$2.5 to \$3.0 million to applicants from each State, the District of Columbia, and Puerto Rico. In addition to grants of \$2.5 to \$3.0 million to individual applicants, the Department intends to fund grants of \$5 million to \$15 million to consortium applicants that propose programs that will impact TAA-eligible workers and other adults across a state, region or regions, industry sector or cluster of related industries. Eligible institutions that received individual grants or were the "lead institution" under the Solicitation for Grant Applications for TAACCCT Grants Program Funding Opportunity Number: SGA/DFA PY 10-03, dated January 20, 2011, are not eligible to apply for grants under this SGA, however, may serve as member institutions in a consortium application under this SGA.

The complete SGA and any subsequent SGA amendments, in

connection with this solicitation are described in further detail on ETA's Web site at <http://www.doleta.gov/grants/> or on <http://www.grants.gov>.
