SUMMARY: Notice is hereby given of proposed contractual actions that are new, modified, discontinued, or completed since the last publication of this notice on April 27, 2001. The March 5, 2001, notice should be used as a reference point to identify changes. The public participation procedures do not apply to proposed contracts for sale of surplus or interim irrigation water for a term of 1 year or less. Either of the contracting parties may invite the public to observe contract proceedings. All public participation procedures will be coordinated with those involved in complying with the National Environmental Policy Act.

Drug Enforcement Administration

In the Matter of Rosalind A. Cropper, M.D.; Grant of Application

On June 15, 1999, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA), issued an Order to Show Cause to Rosalind A. Cropper, M.D. (Respondent), proposing to deny her pending application for a DEA Certificate of Registration in the State of Tennessee, pursuant to 21 U.S.C. 823(f), and revoke her DEA Certificate of Registration (BC0747381, as a practitioner in the State of Louisiana, under 21 U.S.C. 823(f), 824(a)(1) and 824(a)(4), on the grounds that her registration would be inconsistent with the public interest. The Order to Show Cause alleged, in substance that:

(1) Between September 1991 and May 1992, Respondent dispensed methadone, a Schedule II controlled substance, to drug-dependent persons for detoxification or maintenance treatment without being registered as a narcotic treatment program as required pursuant to 21 U.S.C. 823(g).

(2) Respondent entered into a Memorandum of Agreement (MOA) with DEA, effective between July 11, 1995, and July 10, 1998, in which she agreed to maintain a log of all methadone that she prescribed, dispensed, or administered and to send a copy of such log to the DEA New Orleans Field Division quarterly. In this MOA Respondent also agreed to notify DEA quarterly if she did not prescribe, dispense, or administer any methadone. While and after this MOA was in effect, Respondent failed to send any copies of any log or to otherwise notify DEA of any activity pertaining to her handling or not handling methadone.

(3) On April 22, 1992, the State of Louisiana Methadone Authority, Division of Alcohol and Drug Abuse, Office of Human Services, Department of Health and Hospitals (Methadone Authority) denied Respondent's application of September 12, 1991, to operate a Methadone Treatment Program.

(4) Respondent knew or should have known that DEA, effective May 10, 1995, denied her application, dated September 6, 1991, to be registered as a Narcotic Treatment Program pursuant to a final order issued by the DEA Deputy Administrator, 60 FR 18143 (1995).

(5) Respondent materially falsified an application for a DEA Certificate of Registration dated February 2, 1998, by indicating that she never had a Federal
