

individuals would use the on-line complaint form annually.

### Frequency of Responses

Complainants need only submit one on-line form for each building or facility at which they have found accessibility barriers, regardless of the number of barriers they found. Most complainants file only one ABA complaint. Complainants will need to submit a separate form for each additional building or facility at which they have found an accessibility barrier.

### Estimated Total Annual Burden on Respondents

Approximately 30 minutes per respondent total time is all that will be needed to complete the on-line complaint form, for a total of 100 hours annually.

### Comments

Comments are invited on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the estimated burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information from respondents; and (d) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

David M. Capozzi,  
Executive Director.

## ARCHITECTURAL AND TRANSPORTATION BARRIERS COMPLIANCE BOARD

### Working Group on Access to Information on Prescription Drug Container Labels

**AGENCY:** Architectural and Transportation Barriers Compliance Board.

**ACTION:** Notice of meeting.

**SUMMARY:** The Food and Drug Administration Safety and Innovation Act authorizes the Access Board to convene a stakeholder working group to develop best practices for making information on prescription drug container labels accessible to people who are blind or visually impaired. The working group will hold its first meeting on January 10 and 11, 2013.

**DATES:** The Working Group will meet on January 10, 2013, from 9:30 a.m. to 5:00 p.m. and on January 11, 2013, from 9:00 a.m. to 1:00 p.m.

**ADDRESSES:** The meeting will be held at the Access Board's Conference Room, 1331 F Street NW., suite 800, Washington, DC 20004-1111.

**FOR FURTHER INFORMATION CONTACT:** Susan Crawford, Architectural and Transportation Barriers Compliance Board, 1331 F Street NW., suite 1000, Washington, DC 20004-1111. Telephone number (202) 272-0029. Electronic mail address: [crawford@access-board.gov](mailto:crawford@access-board.gov).

**SUPPLEMENTARY INFORMATION:** On July 9, 2012, the President signed into law the Food and Drug Administration Safety and Innovation Act (Pub. L. 112-144, 126 Stat. 993). Section 904 of the Act authorizes the Access Board to convene a stakeholder working group to develop best practices for making information on prescription drug container labels accessible to people who are blind or visually impaired. See 29 U.S.C. 792 note. The Act exempts the working group from the Federal Advisory Committee Act. The Board has formed an 18-member working group with equal representation from national organizations representing blind and visually-impaired individuals, the elderly, and industry groups representing retail, mail order, and independent community pharmacies to develop best practices for pharmacies on providing independent access to prescription drug container labels. The working group will explore various alternatives, including braille, large print labels, and various auditory technologies such as "talking bottles" and radio frequency identification tags.
