DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

[Docket Number FRA-2013-0012]

Petition for Waiver of Compliance

In accordance with Part 211 of Title 49 Code of Federal Regulations (CFR), this document provides the public notice that by a document dated December 10, 2012, the Temple and Central Texas Railway (TC) has petitioned the Federal Railroad Administration (FRA) for a waiver of compliance from certain provisions of the Federal hours of service laws contained at 49 U.S.C. 21103(a)(4). FRA assigned the petition Docket Number FRA-2013-0012.

In its petition, TC seeks relief from 49 U.S.C. 21103(a)(4), which, in part, requires a train employee to receive 48 hours off duty after initiating an on-duty period for 6 consecutive days. Specifically, TC seeks a waiver to allow a train employee to initiate an on-duty period for 6 consecutive days followed by 24 hours off duty. In support of its request, TC submitted documents demonstrating employee support for the waiver and a description of its employee work schedules. Additionally, TC states that the total time on duty per month for its train service employees would be well below the 276 hours maximum time on duty that is permitted by law.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the U.S. Department of Transportation's (DOT) Docket Operations Facility, 1200 New Jersey Avenue SE., W12-140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m.

to 5 p.m., Monday through Friday, except Federal holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

BILLING CODE 4910-06-P

DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

[Docket Number FRA-2009-0078]

Petition for Waiver of Compliance

In accordance with Part 211 of Title 49 Code of Federal Regulations (CFR),

this document provides the public notice that by a document dated February 5, 2013, the American Short Line and Regional Railroad Association (ASLRRRA), on behalf of the Garden City Western Railway Company, the Georgia Southern Railway Company, the Great Smoky Mountains Railroad, the Mississippi Central Railroad Company, the Port Bienville Railroad, and Railserve, has petitioned the Federal Railroad Administration (FRA) for an amended waiver of compliance from certain provisions of the Federal hours of service laws contained at 49 U.S.C. 21103(a)(4), which require a train employee to receive 48 hours off duty after initiating an on-duty period for 6 consecutive days. FRA assigned the petition Docket Number FRA-2009-0078.

In its petition, ASLRRRA seeks to amend Exhibit A of its previously filed petition for extension of the waiver to add the six railroads referenced above, which did not participate in ASLRRRA's original petition for a waiver extension. FRA had granted ASLRRRA's petition for a waiver extension in a letter dated February 27, 2012. The waiver allows a train employee to initiate an on-duty period each day for 6 consecutive days followed by 24 hours, rather than 48 hours, off duty.

Each railroad that seeks to be added to the waiver has executed a compliance letter, which attests that the railroad has complied with all of the employee consent requirements that FRA had originally set forth in its initial decision letter dated March 5, 2010. Additionally, each railroad will maintain in its files for FRA inspection the underlying employee consent or employee representative consent documents.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the U.S. Department of Transportation's Docket Operations Facility, 1200 New Jersey Ave. SE., W12-140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.
