BILLING CODE 4410-15-P

DEPARTMENT OF JUSTICE

Federal Bureau of Prisons

Notice of Intent To Prepare a Draft Environmental Impact Statement (DEIS) for Housing Approximately 1,750 Low-Security, Adult Male Inmates, That Are Predominantly Criminal Aliens at a Privately-Owned and Operated Institution in Either Hinton, OK; McRae, GA; Baldwin, MI; or Scott County, MS

AGENCY: Federal Bureau of Prisons, U.S. Department of Justice.

ACTION: Notice of Intent to Prepare a Draft Environmental Impact Statement.

SUMMARY: Pursuant to Section 102(2)(c) of the National Environmental Policy Act (NEPA) of 1969, as implemented by the Council on Environmental Quality Regulations (40 Code of Federal Regulations [CFR] Parts 1500-1508), the Federal Bureau of Prisons (BOP) intends to prepare a Draft Environmental Impact Statement (DEIS) and conduct Public Scoping Meetings for the proposed

housing of inmates under the Criminal Alien Requirement 12 (CAR 12) solicitation, at a facility located in either Hinton, Oklahoma; McRae, Georgia; Baldwin, Michigan; or Scott County, Mississippi.

SUPPLEMENTARY INFORMATION: The mission of the United States Department of Justice, BOP, is to protect society by confining offenders in the controlled environments of prison and community-based facilities that are safe, humane, cost-efficient, and appropriately secure, and that provide work and other self-improvement opportunities to assist offenders in becoming law-abiding citizens. The BOP accomplishes its mission through the appropriate use of community correction, detention, and correctional facilities that are either: Federally-owned and operated; federally-owned and non-federally operated; and non-federally owned and operated.

Proposed Action

The BOP is facing a period of growth in its inmate population. Projections show the federal inmate population increasing from approximately 212,000 inmates at the end of fiscal year 2010 to over 231,756 inmates by the end of fiscal year 2013. As such, the demand for bed space within the federal prison system continues to grow at a significant rate. To accommodate a portion of the growing inmate population, the BOP proposes to contract with a privately-owned and operated correctional facility that can house approximately 1,750 low-security, adult male inmates, that are predominantly criminal aliens.

Proposals received by the BOP from private contractors include existing facilities located in Hinton, Oklahoma; McRae, Georgia; Baldwin, Michigan; and a new facility proposed for development in Scott County, Mississippi. The BOP has preliminarily evaluated these proposals and determined that the prospective facility/sites appear to be of sufficient size to provide space for inmate housing, programs, administrative services and other support facilities associated with the correctional facility. The DEIS to be prepared by the BOP will analyze the potential impacts of correctional facility construction and/or operation at these locations.

The Process

In the process of evaluating the sites, several aspects will receive detailed examination including, but not limited to: Topography, geology/soils, hydrology, biological resources, utility services, transportation services,

cultural resources, land uses, socio-economics, hazardous materials, and air and noise quality, among others.

Alternatives

In developing the DEIS, the options of "no action" and "alternative sites" for the proposed facility will be fully and thoroughly examined.

Scoping Process

During the preparation of the DEIS, there will be opportunities for public involvement in order to determine the issues to be examined in the DEIS. Four Scoping Meetings will be held for the proposed action: The first at 6 p.m., February 9, 2011 at the Hinton Fire Station, 115 E. Main Street, Hinton, Oklahoma; the second at 7 p.m., February 15, 2011 at the Morton City Board Room, 19 West 1st Avenue, Morton, Mississippi; the third at 6 p.m. February 17, 2011 at McRae City Hall, 301 N. 1st Avenue, McRae, Georgia; and the final at 6 p.m. on February 24, 2011 at Webber Township Hall, 2286 Spring Time Street in Baldwin, Michigan.

The meeting locations, dates, and times will be well publicized and will be arranged to allow for public involvement, as well as interested agencies and organizations to attend. The meetings will be held to allow interested persons to formally express their views on the scope and significant issues to be studied as part of the DEIS process. The meetings will provide for timely public comments and understanding of federal plans and programs with possible environmental consequences as required by the NEPA of 1969, as amended, and the National Historic Preservation Act of 1966, as amended.

DEIS Preparation

Public notice will be given concerning the availability of the DEIS for public review and comment at a later date.

Address

All are encouraged to provide comments on the proposed action and alternatives at the Public Scoping Meetings and anytime during the public scoping period and until March 11, 2011. There are three ways in which comments may be submitted: (1) By attending one of the scoping meetings, (2) by mail or (3) by FAX.

BILLING CODE 4510-FM-P

LEGAL SERVICES CORPORATION

Notice and Request for Comments: LSC Elimination of the Nevada, South Dakota, and Wyoming Migrant Service Areas Beginning April 1, 2011

AGENCY: Legal Services Corporation.

ACTION: Notice and Request for Comments—LSC Elimination of the Nevada, South Dakota, and Wyoming Migrant Service Areas.

SUMMARY: The Legal Services Corporation will eliminate the Nevada, South Dakota, and Wyoming migrant service areas: MNV, MSD, and MWY, effective April 1, 2011, because any eligible migrant population in these states can be more effectively and efficiently served through the respective state's basic field-general grant.

DATES: Written comments must be received on or before February 22, 2011.

ADDRESSES: Written comments may be submitted by mail or e-mail to Reginald J. Haley, Office of Program Performance, Legal Services Corporation, 3333 K St., NW., Washington, DC 20007; or haley@lsc.gov.

FOR FURTHER INFORMATION CONTACT: Reginald J. Haley, Office of Program Performance, Legal Services Corporation, 3333 K St., NW., Washington, DC 20007; or by email at haley@lsc.gov.

SUPPLEMENTARY INFORMATION: The Legal Services Corporation's (LSC) mission is to promote equal access to justice and to provide for high-quality civil legal assistance to low-income persons. Pursuant to its statutory authority, LSC designates service areas in U.S. states, territories, possessions, and the District of Columbia for which it provides grants to legal aid programs to provide free civil legal services, primarily through "basic field-general" grants based on poverty populations.

In some regions, LSC designates migrant service areas for grants that are designed to specifically serve the legal needs of eligible migrant farmworker populations. The funding for migrant service areas is taken out of the funding for the basic field-general service areas also covering those populations based on the estimated number of eligible migrants as a portion of the total poverty population.

For many years LSC has designated migrant service areas in Nevada, South Dakota, and Wyoming. LSC has been informed that the eligible migrant populations in Nevada, South Dakota, and Wyoming are not sufficient in numbers to maintain a separate migrant service area in those states. LSC has reviewed this matter and determined that, based on the available information; it would be more effective and efficient to serve the legal needs of the eligible migrant populations in Nevada, South Dakota, and Wyoming through the basic field-general grants in those states rather than providing separate migrant grants.

LSC provides grants through a competitive bidding process, which is regulated by 45 CFR part 1634. In 2010, LSC implemented a competitive grants process for 2011 calendar year funding that included, inter alia, the Nevada, South Dakota, and Wyoming migrant service areas. LSC determines the term of grants after applications have been received. For 2011, LSC awarded a three-month migrant grant for Nevada to Nevada Legal Services, for South Dakota to Dakota Plains Legal Services and for Wyoming to Legal Aid of Wyoming. These grants are effective January 1, 2011, through March 31, 2011.

LSC intends to eliminate the Nevada, South Dakota, and Wyoming migrant service areas beginning April 1, 2011. Funding for the eligible migrant populations of Nevada, South Dakota, and Wyoming will be restored to those states' basic field-general grants. LSC expects that the recipients of those grants, i.e., Nevada Legal Services, Dakota Plains Legal Services, and Legal Aid of Wyoming, will continue to provide services to the eligible migrant populations as part of their basic field-general grants.

LSC invites public comment on this decision. Interested parties may submit comments to LSC within a period of thirty (30) days from the date of publication of this notice. More information about LSC can be found at LSC's Web site: <http://www.lsc.gov>.
