

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Health Resources and Services Administration****Notice of Supplemental Award to the University of Southern Maine Rural Health Research Center**

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services.

ACTION: Notice of Supplemental Award.

SUMMARY: HRSA announces the award of a supplement in the amount of \$175,000 for a HRSA-funded cooperative agreement awarded to the University of Southern Maine Rural Health Research Center. The supplement will fund a comprehensive region wide assessment of health issues to improve health care in rural areas of the Northern Border Region (NBR) of the U.S.—Grant Number U1CRH03716.

FOR FURTHER INFORMATION CONTACT: For further information regarding this request, please contact Jennifer Burges

via email at jburges@hrsa.gov or by phone at (301) 945–3985).

SUPPLEMENTARY INFORMATION:

Intended Recipient of Award: University of Southern Maine.

Amount of the Non-Competitive Award: \$175,000.

Period of Supplemental Funding: 9/1/2020–08/31/2021.

CFDA Number: 93.155.

Authority: Section 711(b) of the Social Security Act (42 U.S.C. 912(b)(5)), as amended.

TABLE 1—RECIPIENTS AND AWARD AMOUNT

Grantee/organization name	Grant No.	State	FY 2020 authorized funding level	FY 2020 estimated supplemental funding
University of Southern Maine	U1CRH03716	ME	\$700,000	\$175,000

Justification: The Rural Health Research Center (RHRC) program's purpose is to support high-quality, impartial, policy-relevant research to assist health care providers and decision/policy-makers at the federal, state, and local levels in better understanding the health care challenges faced by rural communities to improve health care in rural areas. RHRC recipients conduct policy-oriented health services research, update trend analyses and existing research, and conduct necessary literature reviews on rural health issues and synthesize the issues into publically available policy briefs designed to improve health care in rural areas.

In fiscal year 2021 departmental appropriations report language, HRSA's Federal Office of Rural Health Policy was directed to fund programs to assist the NBR, which is comprised of the States of Vermont, Maine, New York and New Hampshire. As part of that directive, HRSA intends to work in consultation with the Northern Border Region Commission to fund one RHRC to do a comprehensive region wide assessment of health, health outcomes, health needs, and health assets for the purpose of improving health care in rural areas within the NBR. The only RHRC positioned to do this work is the University of Southern Maine. It is the only RHRC that is located within the NBR states that has the capability to research regional rural health care needs and has experience working with the required data from these states. The

proposed activities are within the scope of their current RHRC grant.

Diana Espinosa,

Acting Administrator.

BILLING CODE 4165–15–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Health Resources and Services Administration****National Vaccine Injury Compensation Program; List of Petitions Received**

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: HRSA is publishing this notice of petitions received under the National Vaccine Injury Compensation Program, of the Public Health Service (PHS) Act, as amended. While the Secretary of HHS is named as the respondent in all proceedings brought by the filing of petitions for compensation under the Program, the United States Court of Federal Claims is charged by statute with responsibility for considering and acting upon the petitions.

FOR FURTHER INFORMATION CONTACT: For information about requirements for filing petitions, and the Program in general, contact Lisa L. Reyes, Clerk of Court, United States Court of Federal Claims, 717 Madison Place NW, Washington, DC 20005, (202) 357–6400. For information on HRSA's role in the Program, contact the Director, National

Vaccine Injury Compensation Program, 5600 Fishers Lane, Room 08N146B, Rockville, Maryland 20857; (301) 443–6593, or visit our website at: <http://www.hrsa.gov/vaccinecompensation/index.html>.

SUPPLEMENTARY INFORMATION: The Program provides a system of no-fault compensation for certain individuals who have been injured by specified childhood vaccines. Subtitle 2 of Title XXI of the PHS Act, 42 U.S.C. 300aa–10 *et seq.*, provides that those seeking compensation are to file a petition with the United States Court of Federal Claims and to serve a copy of the petition to the Secretary of HHS, who is named as the respondent in each proceeding. The Secretary has delegated this responsibility under the Program to HRSA. The Court is directed by statute to appoint special masters who take evidence, conduct hearings as appropriate, and make initial decisions as to eligibility for, and amount of, compensation.

A petition may be filed with respect to injuries, disabilities, illnesses, conditions, and deaths resulting from vaccines described in the Vaccine Injury Table (the Table) set forth at 42 CFR 100.3. This Table lists for each covered childhood vaccine the conditions that may lead to compensation and, for each condition, the time period for occurrence of the first symptom or manifestation of onset or of significant aggravation after vaccine administration. Compensation may also be awarded for conditions not listed in the Table and for conditions that are manifested outside the time periods specified in the Table, but only if the

petitioner shows that the condition was caused by one of the listed vaccines.

Section 2112(b)(2) of the PHS Act, 42 U.S.C. 300aa–12(b)(2), requires that “[w]ithin 30 days after the Secretary receives service of any petition filed under section 2111 the Secretary shall publish notice of such petition in the **Federal Register**.” Set forth below is a list of petitions received by HRSA on April 1, 2021, through April 30, 2021. This list provides the name of petitioner, city and state of vaccination (if unknown then city and state of person or attorney filing claim), and case number. In cases where the Court has redacted the name of a petitioner and/or the case number, the list reflects such redaction.

Section 2112(b)(2) also provides that the special master “shall afford all interested persons an opportunity to submit relevant, written information” relating to the following:

1. The existence of evidence “that there is not a preponderance of the evidence that the illness, disability, injury, condition, or death described in the petition is due to factors unrelated to the administration of the vaccine described in the petition,” and

2. Any allegation in a petition that the petitioner either:

a. “[S]ustained, or had significantly aggravated, any illness, disability, injury, or condition not set forth in the Vaccine Injury Table but which was caused by” one of the vaccines referred to in the Table, or

b. “[S]ustained, or had significantly aggravated, any illness, disability, injury, or condition set forth in the Vaccine Injury Table the first symptom or manifestation of the onset or significant aggravation of which did not occur within the time period set forth in the Table but which was caused by a vaccine” referred to in the Table.

In accordance with Section 2112(b)(2), all interested persons may submit written information relevant to the issues described above in the case of the petitions listed below. Any person choosing to do so should file an original and three copies of the information with the Clerk of the United States Court of Federal Claims at the address listed above (under the heading **FOR FURTHER INFORMATION CONTACT**), with a copy to HRSA addressed to Director, Division of Injury Compensation Programs, Healthcare Systems Bureau, 5600 Fishers Lane, 08N146B, Rockville, Maryland 20857. The Court’s caption (Petitioner’s Name v. Secretary of HHS) and the docket number assigned to the petition should be used as the caption for the written submission. Chapter 35 of title 44, United States Code, related

to paperwork reduction, does not apply to information required for purposes of carrying out the Program.

Diana Espinosa,

Acting Administrator.

List of Petitions Filed

1. Julie Parrish, Lexington, Kentucky, Court of Federal Claims No: 21–1149V
2. Alison Stiegler, Novato, California, Court of Federal Claims No: 21–1152V
3. Madelyn Malloy, Phoenix, Arizona, Court of Federal Claims No: 21–1153V
4. Hussein Ali Jabbar on behalf of F. A., St. Louis, Missouri, Court of Federal Claims No: 21–1155V
5. Victoria Thorn, Washington, District of Columbia, Court of Federal Claims No: 21–1156V
6. Neana Gatica, Orange, California, Court of Federal Claims No: 21–1158V
7. Barry Taerbaum, Glenview, Illinois, Court of Federal Claims No: 21–1159V
8. Dorinda K. Perez, Santa Clarita, California, Court of Federal Claims No: 21–1160V

BILLING CODE 4165–15–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

[Document Identifier: OS–0990–0330]

Agency Information Collection Request; 30-Day Public Comment Request

AGENCY: Office of the Secretary, HHS.
ACTION: Notice.

SUMMARY: In compliance with the requirement of the Paperwork Reduction Act of 1995, the Office of the Secretary (OS), Department of Health and Human Services, is publishing the following summary of a proposed collection for public comment.

DATES: Comments on the ICR must be received on or before June 16, 2021.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT: Sherrette Funn, Sherrette.Funn@hhs.gov or (202) 795–7714. When submitting comments or requesting information, please include the document identifier 0990–0330–30D and project title for reference.

SUPPLEMENTARY INFORMATION: Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency’s functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity

of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

Title of the Collection: Appellant Climate Survey.

Type of Collection: Revision.

OMB No.: 0990–0330.

Abstract: The annual OMHA Appellant Climate Survey is a survey of Medicare beneficiaries, providers, suppliers, or their representatives who participated in a hearing before an Administrative Law Judge (ALJ) from OMHA. Appellants dissatisfied with the outcome of their Level 2 Medicare appeal may request a hearing before an OMHA ALJ. The Appellant Climate Survey will be used to measure appellant satisfaction with their OMHA appeals experience, as opposed to their satisfaction with a specific ruling. OMHA was established by the Medicare Prescription Drug, Improvement, and Modernization Act (MMA) of 2003 (Pub. L. 108–173) and became operational on July 1, 2005. The MMA legislation and implementing regulations issued on March 8, 2007, instituted a number of changes in the appeals process. The MMA legislation also directed HHS to consider the feasibility of conducting hearings using telephone or video-teleconference (VTC) technologies. In carrying out this mandate, OMHA makes use of both telephone and VTC to provide appellants with a vast nationwide network Field Offices for hearings. The first 3-year administration cycle of the OMHA survey began in fiscal year (FY) 2008, a second 3-year cycle began in FY 2011, a third 3-year cycle began in FY 2014, and a fourth 3-year cycle began in FY 2018. The survey will continue to be conducted annually over a 3-year period with the next data collection cycle beginning in FY 2021. Data collection instruments and recruitment materials will be offered in English and Spanish. The estimated total number of respondents per FY starting 2021 is 800 respondents. The estimated total annual burden hours starting FY 2021 is 200 hours.

Type of Respondent: The survey will be conducted annually, and survey respondents will consist of Medicare beneficiaries and non-beneficiaries (*i.e.*, providers, suppliers) who participated in a hearing before an OMHA ALJ. OMHA will draw a representative, nonredundant sample of appellants whose cases have been closed in the last 6 months.
