SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–259, OMB Control No. 3235–0269]

Submission for OMB Review; Comment Request; Extension: Rule 17f–5

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) requests for extension of the previously approved collections of information discussed below.

Rule 17f–5 (17 CFR 270.17f–5) under the Investment Company Act of 1940 [15 U.S.C. 80a] (the “Act”) governs the

custody of the assets of registered management investment companies (“funds”) with custodians outside the United States. Under rule 17f–5, a fund or its foreign custody manager (as delegated by the fund’s board) may maintain the fund’s foreign assets in the care of an eligible fund custodian under certain conditions. If the fund’s board delegates to a foreign custody manager authority to place foreign assets, the fund’s board must find that it is reasonable to rely on each delegate the board selects to act as the fund’s foreign custody manager. The delegate must agree to provide written reports that notify the board when the fund’s assets are placed with a foreign custodian and when any material change occurs in the fund’s custody arrangements. The delegate must agree to exercise reasonable care, prudence, and diligence, or to adhere to a higher standard of care, in performing the delegated services. When the foreign custody manager selects an eligible foreign custodian, it must determine that the fund’s assets will be subject to reasonable care if maintained with that custodian, and that the written contract that governs each custody arrangement will provide reasonable care for fund assets. The contract must contain certain specified provisions or others that provide at least equivalent care. The foreign custody manager must establish a system to monitor the performance of the contract and the appropriateness of continuing to maintain assets with the eligible foreign custodian.

The collection of information requirements in rule 17f–5 are intended to provide protection for fund assets maintained with a foreign bank custodian whose use is not authorized by statutory provisions that govern fund custody arrangements,¹ and that is not subject to regulation and examination by U.S. regulators. The requirement that the fund board determine that it is reasonable to rely on each delegate is intended to ensure that the board carefully considers each delegate’s qualifications to perform its responsibilities. The requirement that the delegate provide written reports to the board is intended to ensure that the delegate notifies the board of important developments concerning custody arrangements so that the board may exercise effective oversight. The requirement that the delegate agree to exercise reasonable care is intended to provide assurances to the fund that the
