SUPPLEMENTARY INFORMATION: The FAA is reviewing a request by the Mobile Airport Authority to release approximately 0.95± acres of airport property at Mobile International Airport (BFM) under the provisions of Title 49, U.S.C. 47153(c). An easement on the property will be purchased by Elcan & Associates, Inc. in order to build an access roadway and right-of-way, who also owns the adjacent site directly south. The property is located on the southwest side of airport property adjacent to Runway 14/32. The airport will receive fair market value for the easement and right-of-way, and the net proceeds from the sale will be used for maintenance and operations at the Mobile International Airport (BFM).

The proposed use of this property is compatible with airport operations. Copies of the Property Appraisal, Boundary Survey, and Legal Description are available for examination by appointment. Any person may inspect the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**.
