## DEPARTMENT OF EDUCATION

[Docket No.: ED-2020-SCC-0198]

### Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Comment Request; Formula Grant EASIE Annual Performance Report

**AGENCY:** Office of Elementary and  
Secondary Education (OESE),  
Department of Education (ED).

**ACTION:** Notice.

**SUMMARY:** In accordance with the  
Paperwork Reduction Act of 1995, ED is  
proposing an extension without change  
of a currently approved collection.

**DATES:** Interested persons are invited to  
submit comments on or before April 12,  
2021.

**ADDRESSES:** Written comments and  
recommendations for proposed  
information collection requests should  
be sent within 30 days of publication of  
this notice to [www.reginfo.gov/public/  
do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this information  
collection request by selecting  
“Department of Education” under  
“Currently Under Review,” then check  
“Only Show ICR for Public Comment”  
checkbox. Comments may also be sent  
to [ICDocketmgr@ed.gov](mailto:ICDocketmgr@ed.gov).

**FOR FURTHER INFORMATION CONTACT:** For  
specific questions related to collection  
activities, please contact Crystal Moore,  
(202) 453-5593.

**SUPPLEMENTARY INFORMATION:** The  
Department of Education (ED), in

accordance with the Paperwork  
Reduction Act of 1995 (PRA) (44 U.S.C.  
3506(c)(2)(A)), provides the general  
public and Federal agencies with an  
opportunity to comment on proposed,  
revised, and continuing collections of  
information. This helps the Department  
assess the impact of its information  
collection requirements and minimize  
the public's reporting burden. It also  
helps the public understand the  
Department's information collection  
requirements and provide the requested  
data in the desired format. ED is  
soliciting comments on the proposed  
information collection request (ICR) that  
is described below. The Department of  
Education is especially interested in  
public comment addressing the  
following issues: (1) Is this collection  
necessary to the proper functions of the  
Department; (2) will this information be  
processed and used in a timely manner;  
(3) is the estimate of burden accurate;  
(4) how might the Department enhance  
the quality, utility, and clarity of the  
information to be collected; and (5) how  
might the Department minimize the  
burden of this collection on the  
respondents, including through the use  
of information technology. Please note  
that written comments received in  
response to this notice will be  
considered public records.

*Title of Collection:* Formula Grant  
EASIE Annual Performance Report.

*OMB Control Number:* 1810-0726.

*Type of Review:* Extension without  
change of a currently approved  
collection.

*Respondents/Affected Public:* State,  
Local, and Tribal Governments.

*Total Estimated Number of Annual  
Responses:* 1,300.

*Total Estimated Number of Annual  
Burden Hours:* 14,300.

*Abstract:* The purpose of Indian  
Education Formula Grant to Local  
Agencies, as authorized under section

6116 of the Elementary and Secondary  
Education Act of 1965 (ESEA), as  
amended by the Every Student Succeeds  
Act (ESSA) is to assist grantees to  
provide Indian students with the  
opportunity to meet the same  
challenging state standards as all other  
students and meet the unique  
educational and culturally related  
academic needs of American Indian and  
Alaska Native students. The Indian  
Education Formula Grant (CFDA  
84.060A), is neither competitive nor  
discretionary and requires the annual  
submission of the application from  
either a local education agency, tribe,  
Indian organization, or Indian  
community-based organization. The  
amount of the award for each applicant  
is determined by a formula based on the  
reported number of American Indian/  
Alaska Native students identified in the  
application, the state per pupil  
expenditure, and the total appropriation  
available. The Office of Indian  
Education (OIE) of The Department of  
Education (ED) collects annual  
performance data within the same  
system that collects the annual  
application. The application and the  
annual performance report are both be  
housed in the Education Data Exchange  
Network (EDEN) Submission System.  
The 524B Annual Performance Report  
(APR) was designed for discretionary  
grants, however the title VI program is  
a formula grant program. The EASIE  
APR goes beyond the generic 524B APR  
and facilitates the collection of more  
specific and comprehensive data due to  
grantees entering project specific data  
into an online database.

Dated: March 8, 2021.

## ENVIRONMENTAL PROTECTION AGENCY

[FRL-10020-97-Region 9]

### Public Water System Supervision Program Revision for the State of Arizona

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice of tentative approval.

**SUMMARY:** Notice is hereby given that the State of Arizona revised its approved Public Water System Supervision (PWSS) Program under the federal Safe Drinking Water Act (SDWA) by adopting the Lead and Copper Rule (LCR), LCR Minor Revisions (LCR-MR) and LCR Short-Term Revisions (LCR-STR). The Environmental Protection Agency (EPA) has determined that these revisions are no less stringent than the corresponding Federal regulations and otherwise meet applicable SDWA primacy requirements. Therefore, EPA intends to approve the stated revisions to the State's PWSS Program.

**DATES:** A request for a public hearing must be received on or before April 12, 2021.

**ADDRESSES:** All documents relating to this determination are available for inspection between the hours of 8:30 a.m. and 4:30 p.m., Monday through Friday, at the following office: Arizona Department of Environmental Quality, Records Center, 1110 West Washington Street, Phoenix, AZ 85007; or please contact the person identified in the **FOR FURTHER INFORMATION CONTACT** section for additional availability information. Documents relating to this determination are also available online at <http://azdeq.gov/notices> for inspection.

**FOR FURTHER INFORMATION CONTACT:** Daria Evans-Walker, United States Environmental Protection Agency, Region 9, Drinking Water Section, 75 Hawthorne Street (WTR-4-1), San Francisco, California 94105; telephone number: (415) 972-3451; email address: [evans-walker.daria@epa.gov](mailto:evans-walker.daria@epa.gov).

#### SUPPLEMENTARY INFORMATION:

*Background.* The EPA approved the State of Arizona's initial application for

PWSS Program primary enforcement authority ("primacy"), which became effective on August 25, 1978 (43 FR 38083). States with primacy must adopt and submit for EPA approval all new and revised national primary drinking water regulations. Since initial approval, EPA has approved various revisions to Arizona's PWSS Program. For the revisions covered by this action, the EPA promulgated the Lead and Copper Rule (LCR) on June 7, 1991 (56 FR 26460). EPA modified this rule with technical amendments that were published in the **Federal Register** on July 15, 1991 (56 FR 32113), June 29, 1992 (57 FR 28786), and June 30, 1994 (59 FR 33860). The EPA proposed the LCR-MR on April 12, 1996 (60 FR 16348) and finalized the LCR-MR on January 12, 2000 (65 FR 1949). The EPA proposed the LCR-STR on July 18, 2006 (71 FR 40828) and published the final LCR-STR on October 10, 2007 (72 FR 57782). EPA has determined that the LCR, LCR-MR and LCR-STR requirements were incorporated by reference into the Arizona Administrative Code (AAC) Title 18, Chapter 4, Article 1 and AAC Title 9, Chapter 14, Article 1, in a manner that Arizona's regulations are comparable to and no less stringent than federal requirements for these programs. Therefore, EPA intends to approve these revisions as part of the State's PWSS Program.

*Public Process.* Any interested party may request a public hearing on this determination. A request for a public hearing must be received or postmarked by April 12, 2021, and addressed to the Regional Administrator at the EPA Region 9 via the following email address: [R9dw-program@epa.gov](mailto:R9dw-program@epa.gov). The Regional Administrator may deny frivolous or insubstantial requests for a hearing. If a substantial request for a public hearing is made by April 12, 2021, EPA Region 9 will hold a public hearing. Any request for a public hearing shall include the following information: 1. The name, address, and telephone number of the individual, organization, or other entity requesting a hearing; 2. A brief statement of the requesting person's interest in the Regional Administrator's determination and a brief statement of the information that the requesting person intends to submit at such hearing; and 3. The signature of the individual making the request, or, if the request is made on behalf of an organization or other entity, the signature of a responsible official of the organization or other entity.

If EPA Region 9 does not receive a timely and appropriate request for a hearing and the Regional Administrator

does not elect to hold a hearing on his own motion, this determination shall become final and effective on April 12, 2021, and no further public notice will be issued.

**Authority:** Section 1413 of the Safe Drinking Water Act, as amended, 42 U.S.C. 300g-2 (1996), and 40 CFR part 142 of the National Primary Drinking Water Regulations.

Dated: March 5, 2021.

**Deborah Jordan,**
