Background: NACEPT is a federal advisory committee chartered under the Federal Advisory Committee Act (FACA), Public Law 92-463. EPA established NACEPT in 1988 to provide advice to the EPA Administrator on a broad range of environmental policy, management and technology issues. Members serve as representatives from academia, industry, non-governmental organizations, and state, local, and tribal governments. Members are appointed by the EPA Administrator for two year terms. The Council usually meets 2-3 times annually face-to-face or via video/teleconference and the average workload for the members is approximately 10 to 15 hours per month. Members serve on the Council in a voluntary capacity. However, EPA provides reimbursement for travel and incidental expenses associated with official government business. EPA is seeking nominations from candidates representing tribal governments/communities. Within these sectors, EPA is seeking nominees with knowledge in community sustainability, public health and health disparities, land use and sustainable development, green jobs and economic initiatives, energy, and environmental financing.

Nominees will be considered according to the mandates of FACA, which requires committees to maintain diversity across a broad range of constituencies, sectors, and groups. EPA values and welcomes diversity. In an effort to obtain nominations of diverse candidates, EPA encourages nominations of women and men of all racial and ethnic groups, as well as geographic locale.

The following criteria will be used to evaluate nominees:
