Order

By virtue of the authority vested in the Secretary of the Interior by Section 204 of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1714, it is ordered as follows:

1. Subject to valid existing rights, the following described public lands are hereby withdrawn from all forms of appropriation and other disposition under the public land laws, including

the mining laws and the mineral-leasing laws, in order to protect the physical integrity of the subsurface environment and to ensure that the Department of Energy's ongoing, long-term site characterization studies of the Central Nevada Test Area are not invalidated or otherwise adversely affected.

Mount Diablo Meridian

T. 9 N. R. 51 E., Unsurveyed
Sections 14, 15, 22, and 23. It is an irregular bounded portion of land being more particularly described as follows:

Beginning at a point which is north 35°15'30" west, 14,986.1 feet from the southeast corner of township 9 north, range 51 east.

Thence, north 89°43'10" west, a distance of 6602.5 feet.

Thence, south 0°17'20" west, a distance of 6602.6 feet to the POINT OF BEGINNING.

Basis of Bearing: Mean geodetic bearings referenced to the true meridian.

Excepting those portions withdrawn by PLO 4338 (UC–1 withdrawal).

The area described is 361 acres, in Nye County.

2. The withdrawal made by this Order does not alter the applicability of those public land laws governing the use of the land under lease, license, or permit, or governing the disposal of the mineral or vegetative resources other than under the mining laws and the mineral leasing laws. However, leases, licenses, or permits will be issued only if the Department of Energy finds that the proposed use of the lands will not interfere with the protection of human health and safety or the minimization of danger to life or property.

3. This withdrawal will expire on February 25, 2040, unless, as a result of a review conducted before the expiration date pursuant to Section 204(f) of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1714(f), the Secretary determines that the withdrawal shall be extended.

Dated: February 14, 2020.

Timothy R. Petty,

Assistant Secretary for Water and Science.
