

inferences and assumptions; obtaining consent to use the data involved in these activities; or AI-facilitated reidentification) should agencies consider when conducting PIAs?

b. What guidance updates should OMB consider to improve how agencies address and mitigate the privacy risks that may be associated with their use of AI?

8. What role should PIAs play in how agencies identify and report on their use of commercially available information (CAI)⁷ that contains PII?

a. What privacy risks specific to CAI should agencies consider when conducting PIAs?

b. OMB M–03–22 requires PIAs “when agencies systematically incorporate into existing information systems databases of information in identifiable form purchased or obtained from commercial or public sources,” while noting that “[m]erely querying such a source on an ad hoc basis using existing technology does not trigger the PIA requirement.”⁸ What guidance updates should OMB consider to improve how agencies address and mitigate the privacy risks that may be associated with their use of CAI that contains PII?

9. What guidance updates should OMB consider to improve how agencies address and mitigate the privacy risks that may be associated with their use of other emerging technology and data capabilities?

Other Considerations

10. What else could help promote greater effectiveness and consistency across agencies in how they approach PIAs?

11. What else should OMB consider when evaluating potential updates to its guidance on PIAs?

OFFICE OF PERSONNEL MANAGEMENT

Submission for Review: 3206–0201, Federal Employees Health Benefits (FEHB) Open Season Express Interactive Voice Response (IVR) System and Open Season Website

AGENCY: Office of Personnel Management.

ACTION: 30-Day notice and request for comments.

SUMMARY: The Office of Personnel Management (OPM), Retirement Services, offers the general public and other Federal agencies the opportunity to comment on an expiring information collection request (ICR), with change: 3206–0201, Federal Employees Health Benefits (FEHB) Open Season Express Interactive Voice Response (IVR) System and the Open Season website, Open Season Online.

DATES: Comments are encouraged and will be accepted until February 29, 2024.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725 17th Street NW, Washington, DC 20503, Attention: Desk Officer for the Office of Personnel Management or sent via electronic mail to oira_submission@omb.eop.gov or faxed to (202) 395–6974.

FOR FURTHER INFORMATION CONTACT: A copy of this ICR, with applicable supporting documentation, may be obtained by contacting the Retirement Services Publications Team, Office of Personnel Management, 1900 E Street NW, Room 3316–L, Washington, DC 20415, Attention: Cyrus S. Benson, or sent via electronic mail to

RSPublicationsTeam@opm.gov or faxed to (202) 606–0910 or via telephone at (202) 936–0403.

SUPPLEMENTARY INFORMATION: As required by the Paperwork Reduction Act of 1995 (Pub. L. 104–13, 44 U.S.C. chapter 35), as amended by the Clinger-Cohen Act (Pub. L. 104–106), OPM is soliciting comments for this collection. This information collection (OMB No. 3206–0201) was previously published in the **Federal Register** on November 14, 2023, at 88 FR 78069, allowing for a 60-day public comment period. No comments were received for this collection. The purpose of this notice is to allow an additional 30 days for public comments. The Office of Management and Budget is particularly interested in comments that:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

2. Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

3. Enhance the quality, utility, and clarity of the information to be collected; and

4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

Federal Employees Health Benefits (FEHB) Open Season Express Interactive Voice Response (IVR) System, and the Open Season website, Open Season Online, are used by retirees and survivors. They collect information for changing FEHB enrollments, collecting dependent and other insurance information for self and family enrollments, requesting plan brochures, requesting a change of address, requesting cancellation or suspension of FEHB benefits, asking to make payment to the Office of Personnel Management when the FEHB payment is greater than the monthly annuity amount, or for requesting FEHB plan accreditation and Customer Satisfaction Survey information.

The revisions are as follows: The Open Season enrollment dates have been updated to reflect the upcoming benefits year of 2024 and enrollment period of November 13, 2023 through December 11, 2023. The Public Burden
