## SECURITIES AND EXCHANGE COMMISSION

### Proposed Collection; Comment Request

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

#### Extension:

Rule 302; SEC File No. 270-453; OMB Control No. 3235-0510.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Regulation ATS provides a regulatory structure that directly addresses issues related to alternative trading systems' role in the marketplace. Regulation ATS allows alternative trading systems to choose between two regulatory structures. Alternative trading systems have the choice between registering as broker-dealers and complying with Regulation ATS or registering as national securities exchanges. Regulation ATS provides the regulatory framework for those alternative trading systems that choose to be regulated as broker-dealers. Rule 302 of Regulation ATS describes the recordkeeping requirements for alternative trading systems that are not national securities exchanges. Under Rule 302, alternative trading systems are required to make a record of subscribers to the alternative trading system, daily summaries of trading in the alternative trading system and time-sequenced records of order

information in the alternative trading system.

The information required to be collected under the Rule should increase the abilities of the Commission, state securities regulatory authorities, and the SROs to ensure that alternative trading systems are in compliance with Regulation ATS as well as other rules and regulations of the Commission and the SROs. If the information is not collected or is collected less frequently, the Commission would be severely limited in its ability to comply with its statutory obligations, provide for the protection of investors and promote the maintenance of fair and orderly markets.

Respondents consist of alternative trading systems that choose to register as broker-dealers and comply with the requirements of Regulation ATS. The Commission estimates that there are currently approximately 50 respondents.

An estimated 50 respondents will spend approximately 1,800 hours per year to comply with the recordkeeping requirements of Rule 302. At an average cost per burden hour of \$86.54, the resultant total related cost of compliance for these respondents is \$155,772.00 per year (1,800 burden hours multiplied by \$86.54/hour).

Written comments are invited on (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

## SECURITIES AND EXCHANGE COMMISSION

### Submission for OMB Review; Comment Request

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rule 15a-6; SEC File No. 270-0329; OMB Control No. 3235-0371.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 15a-6 (17 CFR 240.15a-6) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) provides, among other things, an exemption from broker-dealer registration for foreign broker-dealers that effect trades with or for U.S. institutional investors through a U.S. registered broker-dealer, provided that the U.S. broker-dealer obtains certain information about, and consents to service of process from, the personnel of the foreign broker-dealer involved in such transactions, and maintains certain records in connection therewith.

These requirements are intended to ensure (a) that the U.S. broker-dealer will receive notice of the identity of, and has reviewed the background of, foreign personnel who will contact U.S. institutional investors, (b) that the foreign broker-dealer and its personnel effectively may be served with process in the event enforcement action is necessary, and (c) that the Commission has ready access to information concerning these persons and their U.S. securities activities.

In general, the records to be maintained under Rule 15a-6 must be kept for the applicable time periods as set forth in Rule 17a-4 (17 CFR 240.17a-4) under the Exchange Act or, with respect to the consents to service of process, for a period of not less than six years after the applicable person ceases engaging in U.S. securities activities. Reliance on the exemption set forth in Rule 15a-6 is voluntary, but if a foreign broker-dealer elects to rely on such exemption, the collection of information described therein is mandatory. The collection does not involve confidential information. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information
